# AGENDA ITEM

## Community Development 9.A.

City Council Regular Meeting Date: April 16, 2018 Submitted By: Nikki White, Urban Development Director Department: Planning & Development Presented By: Nikki White

## **SUBJECT:**

Discussion and possible action regarding an Ordinance Amending the Zoning Ordinance of the City of Sapulpa; Changing the Zoning District of Land Located at 1005 East Pfendler Avenue, City of Sapulpa, Creek County, State of Oklahoma, from RS-3 (Residential Single Family) to RD (Residential Duplex), per SAZ-946; and Directing the City Clerk to Show Each Change upon the Official Zoning Map; Repealing All Ordinances or Parts of Ordinances in Conflict herewith; Providing for Severability and Declaring an Emergency.

# **BACKGROUND:**

The subject property is located West of the Northwest corner of East Pfendler Avenue and North Mission Street. The property currently has an RS-3 (Residential Single Family High Density) zoning designation. The applicant is making the request to rezone the property for the construction of a new duplex.

In the immediate area, there are several different zoning designations and a wide variety of uses. There is Duplex zoning to the South (across Pfendler) approved in 1964 per SAZ-103 and Ordinance number 1100.

Although on the Future Land Use Map the property has an office/light commercial designation, rezoning to Duplex would not have an adverse effect on the neighborhood. Duplex use is allowed by Special Exception in both Office and Commercial zoning Districts.

# **RECOMMENDATION:**

On March 27, 2018, the Sapulpa Metropolitan Area Planning Commission voted unanimously (per staff recommendation) to recommend approval to City Council.

## BACKGROUND:

The subject property is located west of the Northwest corner of East Pfendler Avenue and North Mission Street. The property currently has an RS-3 (Residential Single Family High Density) zoning designation. The applicant is making the request to rezone the property for the construction of a new duplex (conceptual site plan attached to this report).

In the immediate area, there are several different zoning designations and a wide variety of uses. There is Duplex zoning to the South (across Pfendler) approved in 1964 per SAZ-103 and Ordinance number 1100. Although on the Future Land Use Map the property has a office/light commercial designation, rezoning to duplex would not have an adverse effect on the neighborhood. Duplex use is allowed by Special exception in both Office and Commercial zoning districts.

#### Community Development 9.B.

City Council Regular Meeting Date: April 16, 2018 Submitted By: Nikki White, Urban Development Director Department: Planning & Development Presented By: Nikki White

#### **SUBJECT:**

Discussion and possible action regarding an Ordinance Amending the Zoning Ordinance of the City of Sapulpa; Changing the Zoning District of Land Located at 216 South Main Street, City of Sapulpa, Creek County, State of Oklahoma, from OM (Office Medium Intensity) to CS (Commercial Shopping Center), per SAZ-947; and Directing the City Clerk to Show Each Change upon the Official Zoning Map; Repealing All Ordinances or Parts of Ordinances in Conflict herewith; Providing for Severability and Declaring an Emergency.

#### **BACKGROUND:**

The subject property is located at the Southwest corner of West Thompson Avenue and South Main Street and currently has an OM (Office Medium Intensity) zoning designation. The applicant is making the request to rezone the property for a multi use project. The proposal is for a fitness center, offices, and a restaurant.

Previously the property was used for a funeral home, church, and an ATM drive thru facility. Those properties have been removed and the subject property is now vacant.

The proposed use is compatible with the Future Land Use Map designation of office/light commercial.

#### **RECOMMENDATION:**

On March 27, 2018 the Sapulpa Metropolitan Area Planning Commission voted unanimously (per staff recommendation) to recommend approval to City Council.

# AGENDA ITEM

#### Community Development 9.C.

City Council Regular Meeting Date: April 16, 2018 Submitted By: Nikki White, Urban Development Director Department: Planning & Development Presented By: Nikki White

#### **SUBJECT:**

Discussion and possible action regarding an Ordinance Amending the Zoning Ordinance of the City of Sapulpa; Changing the Zoning District of Land Located at 826 & 830 South Watchorn Street and 1303 East Taft Avenue, City of Sapulpa, Creek County, State of Oklahoma, from RS-3 (Residential Single Family High Density) to OL (Office Low Intensity), per SAZ-948; and Directing the City Clerk to Show Each Change upon the Official Zoning Map; Repealing All Ordinances or Parts of Ordinances in Conflict Herewith Providing for Severability and Declaring an Emergency.

#### **BACKGROUND:**

The subject property is located North of the Northwest corner of East Taft Avenue (State Highway 117) and South Watchorn Street. Lot Seventeen (17), which is the southernmost lot in the application, currently houses Executives Title and is a non-conforming use; approval of this request will bring the property into compliance. Lots Thirteen (13) and Sixteen (16) are vacant. The owners would like to expand the existing business and construct additional parking.

The property owner to the West submitted a letter stating stormwater run-off concerns (the letter is attached to this report).

The majority of the property is designated Residential on the Future Land Use Map. Approval of this application will require a comprehensive land map amendment.

#### **RECOMMENDATION:**

On March 27, 2018, the Sapulpa Metropolitan Area Planning Commission voted unanimously (per staff recommendation) to recommend approval to the City Council with the following conditions:

1. Hydrology study shall be complete prior to a building permit or earth change permit being issued.

- Comprehensive Plan amendment from Residential to Office/Light Commercial.
   Appropriate screening from all R districts shall be maintained and in good repair.
- 4. Must be in compliance with the landscape ordinance.

# **REQUEST:**

The applicant requests to rezone the subject property from Residential Single Family (RS-3) to Office Low Intensity (OL) for an expansion of an existing business and additional parking.

#### **APPLICABLE STATE AND MUNICIPLE CODE SECTIONS:**

City of Sapulpa Zoning Code, Chapter 5, Office District provisions.

**BACKGROUND:** The subject property is located north of the Northwest corner of East Taft Avenue (State Highway 117). Lot seventeen, which is the southernmost lot in the application currently houses Executive Title, and is a non-conforming use; approval of the request will bring the property into compliance. Lots thirteen and sixteen are vacant.

| <u>Flood Zone</u> :         | The subject property is not located within a flood zone.   |

#### **PUBLIC COMMENTS:**

Dorothy Garner (property owner to the North) is concerned that she owns property south of her fence and that she will lose it if the development moves forward. She was also concerned with the proximity of the Middle School. Ms. Garner is elderly and unsure if she can be in attendance at the public meeting.

Loren Elmore – 717 S. Apple St – property owner to the West. He has lived on the property since 1973. He stated that he was assured the applicants would be required to build a retention pond at the time of the construction of the current buildings. He is very concerned with stormwater runoff. In addition, he feels that the applicants existing buildings do not have adequate drainage and asked that the screening fence on the West side of the subject property be repaired. There is a letter attached to this report from Mr. Elmore.

#### **STAFF RECOMMENDATION:**

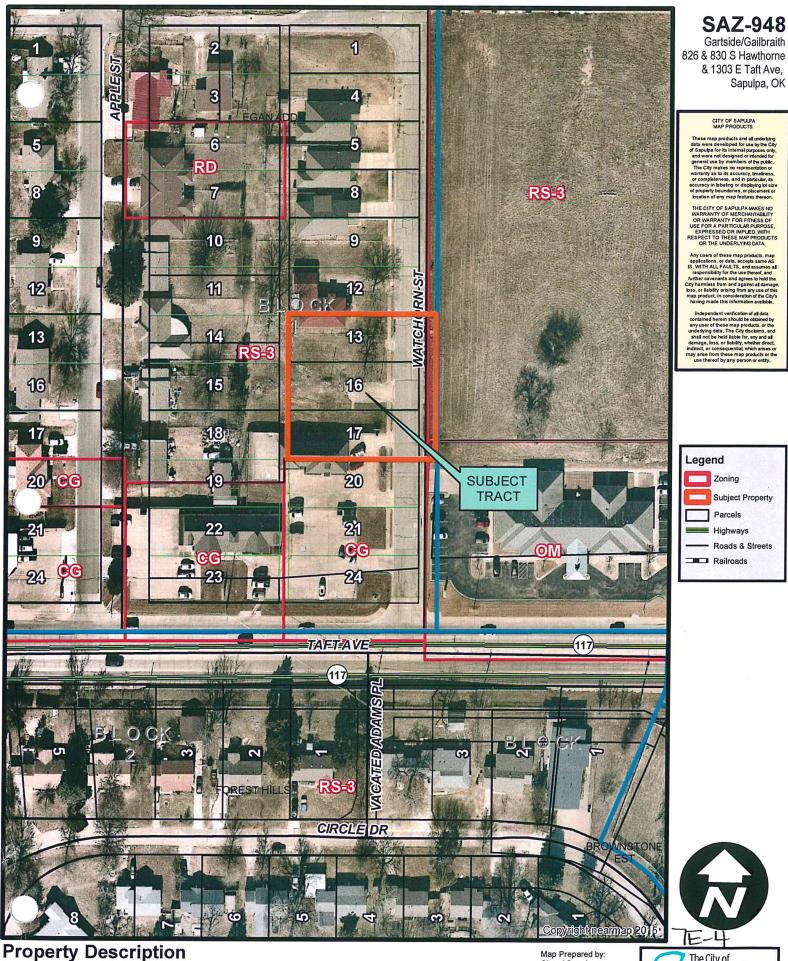

#### **Recommended motion for SMAPC:**

Staff is recommending **APPROVAL** of the application. With the following conditions:

- 1. Hydrology study shall be complete prior to a building permit/earth change permit being issued.
- 2. Comprehensive Plan amendment from Residential to Office/Light Commercial
- 3. Appropriate screening from all R districts shall be maintained and in good repair.
- 4. Must be in compliance with the landscape ordinance.

# To Whom It May Concern:

# A Little History -

We moved to 717 South Apple Street in 1973 and purchased the property in 1976. At this time, the little house on the back of the property was rented and the alley was used as a driveway, for trash pickup, for electric and sewer vehicles, and for firetrucks and police vehicles. If, at any time, the renter parked in the alleyway, the police would immediately come and have the car moved from the alleyway.

Later, the four houses on the south end of the block came up for sale and the man with the "gold" bought all of them. The City allowed the closure of the alley completely and allowed him to build the business. The man with the "gold" was also allowed to build the privacy fence in the middle of the alley. This fence is on top of the sewer line that is used by the houses and businesses in the area. Due to a sewer issue at one time, the fence had to be taken down, so the problem could be fixed. It took almost a year to get the fence fixed and look at it today!

# Water Problem

The water problem is my main concern. The water run off is terrible! Back when the businesses were being built, I spoke with Mr. Gilliland about my concerns and he assured me there would be a retaining sump, but I've yet to see it! The water runs off Highway 117 and onto all the properties down Apple and Adams Street. The addition of more buildings and concrete will make the run off even worse.

Sincerely,

Loren Elmore

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE AMENDING THE ZONING ORDINANCE OF THE CITY OF SAPULPA; CHANGING THE ZONE AND DISTRICT OF LAND LOCATED AT 826 AND 830 SOUTH WATCHORN STREET AND 1303 EAST TAFT AVENUE, CITY OF SAPULPA, CREEK COUNTY, STATE OF OKLAHOMA, FROM RS-3 (RESIDENTIAL SINGLE FAMILY HIGH DENSITY) TO OL (OFFICE LOW INTENSITY), PER SAZ-948; AND DIRECTING THE CITY CLERK TO SHOW EACH CHANGE UPON THE OFFICIAL ZONING MAP; REPEALING ALL ORDINANCES OR PARTS OF ORDINANCES IN CONFLICT HEREWITH PROVIDING FOR SEVERABILITY AND DECLARING AN EMERGENCY.

BE IT ORDAINED by the City Council of the City of Sapulpa,

**SECTION 1.** That the Zoning Ordinance of the City of Sapulpa is hereby amended in the following particulars, to-wit:

A. SAZ-948 Terry and Carolyn Gartside: Lots Thirteen (13), Sixteen (16) and Seventeen (17), Block One (1), Egan Addition to the City of Sapulpa, Creek County, State of Oklahoma, according to the recorded plat thereof, be and are hereby rezoned from RS-3 (Residential Single Family) to OL (Office Low Intensity)

**SECTION 2.** That the City Clerk of the City of Sapulpa is hereby directed to make the proper changes upon the official zoning map of said City to show thereon the change of zone and district of the above described property.

#### **SUBJECT:**

Discussion and possible action regarding SUP-018, application for a Specific Use Permit, to the Muscogee Creek Nation to allow a Church at 875 McDonald Road.

#### **BACKGROUND:**

The subject property is located at the Northeast corner of State Highway 117 and McDonald Road. It has a CG (Commercial General) zoning designation. The request of the Muscogee (Creek) Nation is for a Church use.

Highway 117 (Taft Avenue) is considered a "Corridor", therefore the "City of Sapulpa Corridor Design Criteria" shall be followed. The subject property is a metal building, per the criteria, metal buildings are not allowed. The following are the approved materials to be used in the design of commercial exteriors:

- Natural materials such as wood, brick, unpolished stone.
- Cement plaster (stucco) or similar material.
- Textured masonry with integral color.
- Formed concrete with integral color and textured finish.
- All sides viewable from a public street shall be covered in a material utilizing those referenced above.
- The material must be from ground to roof.

Roofing material and design must integrate into the overall material and color scheme.

<u>Color</u>: The use of color in buildings should seek an overall harmony and limited palette. Colors should be light and muted earth tones for basic surfaces with strong hues only as accents. Color is encouraged in detail and ornamentation.

Approved Color Schemes:

- Light and muted earth tones, including off-whites such as ivory
- Natural brick, stone and wood tones
- Foreground surfaces and roofs: warm earth tones
- Accents: saturated and bright colors may be used in small area for detail, ornamentation, doors and windows, stairs or other architectural features

#### Non-Approved Color Schemes:

- Highly reflective colors that cause glare
- Large dark buildings or surfaces
- Large areas of dark glass
- Colors so dark or intense as to neutralize shadow patterns
- Saturated hues and bright colors except for use in small areas

#### "These criteria will be applicable to all future zoning requests, final development plans, and building permit applications for all non-residential projects."

The Muscogee Creek Nation Principal Chief submitted a letter in opposition of the Corridor Design Criteria, that letter is attached to this report.

# **RECOMMENDATION:**

On March 27, 2018, the Sapulpa Metropolitan Area Planning Commission voted unanimously (per staff recommendation) to recommend approval to the City Council with the following conditions:

1. City of Sapulpa Corridor Design Criteria shall be followed unless specifically waived by City Council.

2. The landscape ordinance shall be followed unless specifically waived by City Council.

Staff concurs with the recommendation of the Planning Commission provided that the approval of the Specific Use permit is limited to the existing owner and terminates upon any transfer of ownership or occupancy of the property.

Muscogee (CREEK) Nation

Executive Office

March 29, 2018

Nikki White Urban Development Director City of Sapulpa PO Box 1130 Sapulpa, OK 74067

Re: Muscogee (Creek) Nation – SUP-018- Location: Northeast corner of East Taft Avenue (State Highway 117) and McDonald Road (875 McDonald Road). The applicant requests a "Specific Use Permit" to allow a Church.

Dear Ms. White:

A meeting was held before the Sapulpa Metropolitan Area Planning Commission (SMAPC) on Tuesday, March 27, 2018. Pastor Gary Hawkins of Native Stone Baptist Church was in attendance for the purpose of obtaining a "Specific Use Permit" to allow a church to be located on tribal property leased from the Muscogee (Creek) Nation (the Nation).

It has come to the attention of the Nation that Pastor Hawkins was informed during the Commission meeting that additional improvements are required to the existing building in conformance with the City of Sapulpa Corridor Design Criteria (December 2001). This came as a surprise to us because it was never discussed in any of the prior meetings and/or discussions which occurred between the Nation and the City of Sapulpa.

The following is a timeline of events regarding the subject property:

- 2018-01-09 Request for Building Permit submitted to Brittany Billingsly, Permit Clerk of Sapulpa at <u>permitclerk@cityofsapulpa.net</u>.
- 2018-01-23 Request for update to application sent to Brittany Billingsly.
- 2018-01-24 Received notification the permit was ready for pick up.
- 2018-01-30 Permit fee paid (\$375.20) and permit picked up from City Hall.
- 2018-02-15 Informed by Brittany Billingsly that a Specific Use Permit would be required for our project and to contact Nikki White, City Planner of Sapulpa.
- 2018-02-16 Spoke with Nikki White and was given details on what the Specific Use Permit is and how to properly submit the application. It should be noted that the Nation

was never informed of any specific design/construction requirements for buildings along the SH-117 corridor.

- 2018-02-16 James Vickrey (Fire Marshal) and Farley Fisher (Building Inspector) request walkthrough for 2018-02-19.
- 2018-02-19 Performed walk through with Muscogee (Creek) Nation, Farley Fisher, James Vickrey, and Chance Hale (Contractor).
- 2018-02-26 Picked up required abstract documentation from Creek County Abstract in Sapulpa. Paid required fee of \$300.
- 2018-02-26 Submitted Specific Use Permit application to Nikki White with \$200 permit fee. Informed that due to the information contained in the abstract, an additional \$101.10 would be required. Ms. White informed us she would still submit the application while awaiting the additional payment.
- 2018-03-14 Informed via email by James Vickrey (Fire Marshal) about life safety issues resulting from project revisions would need to be corrected.
- 2018-03-20 Requested Prepayment to mail \$101.10 to be sent to City of Sapulpa.
- 2018-03-27 SMAPC Committee Meeting attended by Pastor Gary Hawkins. Pastor Hawkins is informed that modifications specific to the City of Sapulpa Corridor Design Criteria will be required for the building.

The Nation acquired the property in 2013. Prior to the purchase, a Phase I Environmental Site Assessment was conducted on the property. As part of the Site Assessment an interview with the property owner, Norman McDonald, was conducted. Mr. McDonald indicated that the building was constructed in 2001. Assessor information confirms that the building was constructed in 2001 and was listed as "commercial property" and operated as "a gymnasium". Review of historic information reveals the facility was commercially operated as a Jazzercize business and a Tae Kwon Do business. From 2013 to the present, the Nation has utilized the building for storage. It is the intent of the Nation to utilize the property by entering into a lease agreement with the Native Stone Baptist Church. We believe this use of the property will effect positive change to the area.

At no time prior to the SMAPC Commission meeting held on March 27, 2018 was any mention of additional improvements being required for an existing building. Based on the fact that design criteria constraints were not communicated to the Nation at any time during the permitting/construction process, we strongly believe that this issue be further explored in an expeditious manner.

We respectfully request a meeting with your office to discuss this matter.

Sincerely,

ŝ,

Iga James R. Floyd

# **Contract For Public Improvements** For Community Development Block Grant Program

This Contract for Community Development Block Grant ("CDBG") funds is made and entered into this day February 2017 by and between Tulsa County ("COUNTY"), and the City of Sapulpa ("CITY").

This Contract shall be in effect the 1st day of February, 2017 and shall be in effect through the 30th day of January, 2018. If the funds are not exhausted at the end of the contract period, the Contract period may be extended by mutual agreement of both parties.

WHEREAS, the Housing and Community Development Act of 1974, as amended (24 U.S.C. 93-383 et seq.), (the "Act"), provides that Community Development Block Grant, ("CDBG"), funds may be used for the support of activities that provide decent housing and suitable living environments and expanded economic opportunities principally for persons of low- and moderate-income; and,

**WHEREAS**, CDBG Regulations 24 CFR 570.307(a) allow counties having a total combined population of 200,000 or more from the unincorporated areas and participating incorporated areas to qualify as an urban county; and,

WHEREAS, a Cooperation Agreement between the County and the City has been executed for the purpose of participation in the Tulsa County Urban County Community Development Block Grant Program for Federal Fiscal Years 2014-2016; and,

WHEREAS, the City desires to enter into a Contract with Tulsa County, as lead entity of the Tulsa County Community Development Block Grant Urban County Program (CFDA 14.218) pursuant to Title I of the Housing and Community Development Act of 1974, as amended; to receive an allocation of FY2016 Tulsa County CDBG Urban County funds for the purpose of public improvements (B-16-UC-40-0001);

**NOW THEREFORE**, the parties do mutually agree as follows:

#### I. Scope of Services

The City shall be responsible for the oversight of a project titled Street Repairs which proposes overlay and patching of various street segments in southeastern quadrant of City. The project will be located on S. Cedar St (W. Orleans to end); W. Portland Ave. (S. Cedar to end); W. Orleans Ave. (Cedar to Poplar); W. Newburg Ave. (Monterey to Mounds); W. Orleans Ave. (Hickory to Cedar). Project to meet the objectives of the Community Development Block Grant program in accordance with the terms and conditions as set forth herein.

The City agrees to perform those duties, obligations, and representations contained in its application to Tulsa County and to be bound by the provisions of its application, all amendments thereto and all correspondence relating thereto, which were submitted to and accepted by Tulsa County in contemplation of this contract, said application being incorporated herein and made a part hereof by reference.

#### II. Budget

The City shall be allocated \$116,864.00 from Fiscal Year 2016 Tulsa County CDBG Urban County funds for infrastructure improvements.

#### III. Performance Measurement

The project must be under construction with a Notice To Proceed issued no later than **180** days from the date of approval of this contract by the County. Failure to commence construction within the timeframe may result in withdrawal of CDBG funds by the County for noncompliance of timely expenditure of funds.

#### IV. Method Of Payment

- a. Payment will be made to the City on either a reimbursement of paid invoices basis or submission of actual payable invoices. The City shall submit a "Request for Funds" form to the program administrator, INCOG, for approval and payment by Tulsa County.
- b. City will maintain proper financial records for the project, which the County reserves the right to inspect on a periodic basis.
- c. In no event will the total compensation to be paid hereunder exceed the expressly agreed maximum sum of One Hundred Sixteen Thousand Eight Hundred Sixty-Four Dollars (\$116,864) for all services required.

#### V. Reversion of Assets

After reconciliation of the project books and submittal of remaining unpaid claims to the County, the City shall return any unused CDBG funds within 30 days of the date this agreement terminates or expires.

# **GENERAL TERMS AND CONDITIONS**

#### **Subcontract Notification Provision**

None of the work and services covered by this contract may be subcontracted without written consent of the County. Any work or services subcontracted hereunder shall be specified by written agreement and shall be subject to each provision of this agreement. In no event will the City incur any obligation on the part of the County.

#### Modification

This contract is subject to such modification as may be required by federal or state law or regulations. The work and services to be performed and the total contract amount may be modified only upon written agreement of both parties.

#### Disputes, Interpretation, Remedies

- a. In the event the parties fail to agree on interpretations of this contract, the details of such disagreement shall be forwarded to the legal counsels of both parties for review and recommendation and such recommendations forwarded to HUD, who shall make the final determination.
- b. Neither forbearance nor payment by the County shall be construed to constitute waiver of any remedies for any default or breach by the City that exists then or occurs later.

#### Severability Clause

If any provision under this contract or its application to any person or circumstance is held invalid by any court of competent jurisdiction, such invalidity does not affect any other provision of this contract or its application that can be given effect without the invalid provision or application.

#### Hold Harmless Clause

City shall, within limitations placed on such entities by any law, hold harmless the United States government, its agents, officers, and employees and the County, its agents, officers, and employees from all claims and actions, and all expenses defending same, that are brought as a result of any injury or damage sustained by any person or property which injury or damage is legally determined to be caused by any act or omission of City committed within the performance of its duties under this contract. City shall, within limitations placed on such entity by any law, hold harmless the United States government, its agents, officers, and employees and the County, its agents, officers and employees from any claim or amount recovered as a result of infringement of patent trademark, copyright, or from any claim or amounts arising or recovered under Workers' Compensation Laws, to the extent such claims arise out of acts committed in furtherance of this contract. In any agreement with any subrecipient or any agent for City, City will specify that such sub-recipient or agents shall hold harmless the United States government, its agents, officers, and employees, and the County its agents, officers and employees for all the herein before described expenses, claims, actions, or amounts recovered, which is legally determined to be caused by this sub-recipient or agent in the performance of their duties relating to this contract.

#### Personnel

- a. The City represents that it will secure all personnel required in performing the services under this contract. Such personnel shall not be employees of or have any contractual relationship with the County.
- b. The City has full responsibility for payment of worker's compensation insurance, unemployment insurance, social security, state and federal income tax and any other deductions required by law for its employees.
- c. All of the services required hereunder will be performed by the City or under its supervision and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under state and local law to perform such services.

#### **Termination of Contract for Cause**

If, through any cause, the City shall fail to fulfill in a timely and proper manner his/her obligations under this contract, or if the City shall violate any of the covenants, agreements, or stipulations of this contract, the County shall thereupon have the right to terminate this contract by giving written notice to the City of such termination and specifying the effective date thereof, at least 15 days before the effective date of such termination. In such event, the City shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

Not withstanding the above, the City shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the contract by the City.

#### **Termination of Contract for Convenience**

Either the City or the County may terminate this contract at any time by giving at least <u>15</u> days notice in writing to the other party. If the contract is terminated as provided herein, the City will be paid for the services provided and all allowable expenses incurred up to the termination date.

#### Conflict of Interest

No member of the governing body of the City, and no other officer, employee, or agent of the City who exercises any function or responsibility in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this agreement, and the City shall take appropriate steps to assure compliance.

#### Interest of City and Employees

The City covenants that it presently has no interest and shall not acquire interest, direct or indirect, in the project area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his services hereunder. The City further covenants that in the performance of this agreement no person having any such interest shall be employed.

#### **Reports and Information**

The City, at such times and in such forms as the County may require, shall furnish the County such periodic reports as it may request pertaining to the work or services undertaken pursuant to the contract, costs and obligations incurred or to be incurred in connection there with and any other matters covered by this contract.

City shall furnish the County narrative reports and financial reports related to the elements of this contract in the forms and at such times as may be required by the County or federal grantor agencies.

#### **Compliance with Local Laws**

The City shall comply with all applicable laws, ordinances and codes of the state and local governments.

#### Copyright

No reports, maps, or other documents produced in whole or in part under this contract shall be the subject of an application for copyright by or on behalf of the City.

#### **Records and Audits**

City shall retain all books, documents, papers, records, and other materials involving all activities and transactions related to this contract for at least five (5) years from the date of submission of the final expenditure report or until all audit findings have been resolved, whichever is later. City shall, as often as deemed necessary by the County, permit authorized representatives of the County and its Auditors, the U.S. Department of Housing and Urban Development, the federal or state Department of Labor and the U.S. Comptroller General to have full access to and the right to fully examine all such materials.

The City shall comply with OMB circulars A-110 and A-122 requirements, where applicable. The OMB circulars are hereby made a part of this contract. The City shall provide a copy of its annual audit to the County for the periods of these CDBG funds within the earlier of 30 days after the City's receipt of the auditor's report or nine months after the end of the audit period.

#### Federal Funds in Excess of \$750,000

If the City expends \$750,000 or more in a year in Federal awards from all sources, the City shall comply with OMB circular A-133 requirements and have a Single Audit conducted. This OMB circular is hereby made a part of this contract. The City shall provide a copy of its A-133 audit to the County for the periods of these CDBG funds within the earlier of 30 days after the City's receipt of the auditor's report or nine months after the end of the audit period.

#### Anti-Kickback Regulations

The City shall comply with all applicable anti-kickback regulations covered under the Department of Labor Regulation 29 CFR, Part III.

#### Equal Employment Opportunity

The City shall comply with the following equal opportunity requirements as part of CDBG assurances:

a. Civil Rights Act of 1964, Title VI

City shall comply with Title VI of the Civil Rights Act of 1964, which provides that no person in the United States shall on the grounds of race, religion, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives federal financial assistance.

b. Housing and Community Development Act of 1974, Section 109

City shall comply with Section 109 of the Housing and Community Development Act of 1974, which provides that no person in the United States shall on the grounds of race, color, religion, national origin or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded under the Act. c. Housing and Urban Development Act of 1968, Section 3

City shall comply with Section 3, which provides that to the greatest extent feasible, training and employment opportunities shall be made available to lower-income residents of the unit of local government or metropolitan area (or non-metropolitan county) in which the project is located and that contracts be awarded to small businesses located within or owned in substantial part by residents of the same metropolitan area (or nonmetropolitan county) as the project.

d. Affirmative Action

City shall take affirmative actions steps to contract with small and minority owned firms and women business enterprises in a part of the requirements of 24 CFR Part 85.36 or 24 CFR Part 570, Sub-part J. Affirmative Actions steps include, but are not limited to, the following:

- 1. Including qualified small, minority and women business enterprises on solicitation lists.
- 2. Assuring that small, minority and women business enterprises are solicited whenever they are potential sources.
- 3. When economically feasible, dividing total requirements into smaller tasks or quantities to permit maximum small, minority and women business enterprises participation.
- 4. Where the requirement permits, establishing delivery schedules which will encourage participation by small, minority and women business enterprises.
- 5. Using the services and assistance of the Small Business Administration, the Office of Minority Business Enterprise of the U.S. Department of Commerce and the local minority business development center that assists with management and technical aspects and maintains a directory of minority contractors, suppliers and vendors.

#### Labor Standards

- a. The City shall comply with the requirements of Davis-Bacon Act (40 USC Section 276a-276a-5), which requires payment of the prevailing wage for the locality to workers on construction contracts over \$2,000. Housing rehabilitation projects of fewer than eight units are exempt. Regulations are at 29 CFR, Part 5. The City further certifies that it shall include in its bidders' packages the U.S. Department of Labor Wage Determination List and a statement that the Contractor and any subcontractors must comply with these wage rates in performance of the work required.
- b. Copeland (Anti-Kickback) Act (18 USC Section 874, 40 USC Section 176c), which applies to all contracts covered by Davis-Bacon and

provides that workers must be paid weekly, with only permissible deductions allowed. Regulations are at 29 CFR, Part 3;

c. Contract Work Hours and Safety Standards Act (40 USC Section 327, et seq.) which requires overtime compensation. Regulations are at 29 CFR, Part 5.

#### Acquisition and Relocation

Uniform Relocation Assistance and real Property Acquisition Policies Act of 1970, as amended (P.L. 91-646, P.L. 100-17) Section 305 of Title III and Section 210 of Title II require State and local recipients to comply with real property acquisition and relocation requirements set forth in said Act. Regulations are at 49 CFR, Part 24.

#### Age Discrimination Act of 1975

City shall comply with the provisions of the Age Discrimination Act of 1975, which prohibits discrimination on the basis of age in the delivery of services and benefits supported by federal funds.

#### Americans With Disabilities Act of 1990

City shall comply to the extent required with the provisions of the Americans with Disabilities Act of 1990 which prohibits discrimination on the basis of disabled status in any publicly funded program and activity.

#### Rehabilitation Act of 1973, Section 504

City shall comply with the provisions of Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap in any programs or activities receiving federal financial assistance.

IN WITNESS WHEREOF, the City and County have executed this contract as of the date first written above.

This Contract for Community Development, Block Grant ("CDBG") funds is made and entered into this 12th day of 12th 2017 by and between Tulsa County ("COUNTY"), and the City of Sapulpa ("CITY").

This Contract shall be in effect the 1st day of July, 2017 and shall be in effect through the 30th day of June, 2018. If the funds are not exhausted at the end of the contract period, the Contract period may be extended by mutual agreement of both parties.

WHEREAS, the Housing and Community Development Act of 1974, as amended (24) U.S.C. 93-383 et seq.), (the "Act"), provides that Community Development Block Grant, ("CDBG"), funds may be used for the support of activities that provide decent housing and suitable living environments and expanded economic opportunities principally for persons of low- and moderate-income; and,

WHEREAS, CDBG Regulations 24 CFR 570.307(a) allow counties having a total combined population of 200,000 or more from the unincorporated areas and participating incorporated areas to gualify as an urban county; and,

N WHEREAS, a Cooperation Agreement between the County and the City has been \_\_\_\_ executed for the purpose of participation in the Tulsa County Urban County Community 00 Development Block Grant Program for Federal Fiscal Years 2017-2019; and. 9

WHEREAS, the City desires to enter into a Contract with Tulsa County, as lead entity of the Tulsa County Community Development Block Grant Urban County Program (CFDA 14.218) pursuant to Title I of the Housing and Community Development Act of 1974, as amended; to receive an allocation of FY2017 Tulsa County CDBG Urban County funds for the purpose of public improvements (B-17-UC-40-0001);

**NOW THEREFORE**, the parties do mutually agree as follows:

#### Scope of Services I.

The City shall be responsible for the oversight of a project titled Street Repairs which proposes overlay and patching of various street segments in southeastern quadrant of City. The project will be located on S. Poplar St (W. Monterey Ave. to south end of roadway); S. Mounds St. (W. Orleans Ave. to W. Monterey Ave.); S. Water St. (S. Main St. to W. Portland Ave); S. Main St. (200' south of W. Teel Rd to end of roadway in subdivision); W. Monterey Ave. (S. Cedar St. to S. Main St.). Project to meet the objectives of the Community Development Block Grant program in accordance with the terms and conditions as set forth herein.

The City agrees to perform those duties, obligations, and representations contained in its application to Tulsa County and to be bound by the

provisions of its application, all amendments thereto and all correspondence relating thereto, which were submitted to and accepted by Tulsa County in contemplation of this contract, said application being incorporated herein and made a part hereof by reference.

#### II. Budget

The City shall be allocated \$130,955.00 from Fiscal Year 2017 Tulsa County CDBG Urban County funds for infrastructure improvements.

#### III. Performance Measurement

The project must be under construction with a Notice To Proceed issued no later than **180** days from the date of approval of this contract by the County. Failure to commence construction within the timeframe may result in withdrawal of CDBG funds by the County for noncompliance of timely expenditure of funds.

#### IV. Method Of Payment

- a. Payment will be made to the City on either a reimbursement of paid invoices basis or submission of actual payable invoices. The City shall submit a "Request for Funds" form to the program administrator, INCOG, for approval and payment by Tulsa County.
- b. City will maintain proper financial records for the project, which the County reserves the right to inspect on a periodic basis.
- c. In no event will the total compensation to be paid hereunder exceed the expressly agreed maximum sum of One Hundred Thirty Thousand Nine Hundred Fifty-Five Dollars (\$130,955.00) for all services required.

#### V. Reversion of Assets

After reconciliation of the project books and submittal of remaining unpaid claims to the County, the City shall return any unused CDBG funds within 30 days of the date this agreement terminates or expires.

# GENERAL TERMS AND CONDITIONS

#### **Subcontract Notification Provision**

None of the work and services covered by this contract may be subcontracted without written consent of the County. Any work or services subcontracted hereunder shall be specified by written agreement and shall be subject to each provision of this agreement. In no event will the City incur any obligation on the part of the County.

#### Modification

This contract is subject to such modification as may be required by federal or state law or regulations. The work and services to be performed and the total contract amount may be modified only upon written agreement of both parties.

#### Disputes, Interpretation, Remedies

- a. In the event the parties fail to agree on interpretations of this contract, the details of such disagreement shall be forwarded to the legal counsels of both parties for review and recommendation and such recommendations forwarded to HUD, who shall make the final determination.
- b. Neither forbearance nor payment by the County shall be construed to constitute waiver of any remedies for any default or breach by the City that exists then or occurs later.

#### Severability Clause

If any provision under this contract or its application to any person or circumstance is held invalid by any court of competent jurisdiction, such invalidity does not affect any other provision of this contract or its application that can be given effect without the invalid provision or application.

#### Hold Harmless Clause

City shall, within limitations placed on such entities by any law, hold harmless the United States government, its agents, officers, and employees and the County, its agents, officers, and employees from all claims and actions, and all expenses defending same, that are brought as a result of any injury or damage sustained by any person or property which injury or damage is legally determined to be caused by any act or omission of City committed within the performance of its duties under this contract. City shall, within limitations placed on such entity by any law, hold harmless the United States government, its agents, officers, and employees and the County, its agents, officers and employees from any claim or amount recovered as a result of infringement of patent trademark, copyright, or from any claim or amounts arising or recovered under Workers' Compensation Laws, to the extent such claims arise out of acts committed in furtherance of this contract. In any agreement with any subrecipient or any agent for City, City will specify that such sub-recipient or agents shall hold harmless the United States government, its agents, officers, and employees, and the County its agents, officers and employees for all the herein before described expenses, claims, actions, or amounts recovered, which is legally determined to be caused by this sub-recipient or agent in the performance of their duties relating to this contract.

#### Personnel

- a. The City represents that it will secure all personnel required in performing the services under this contract. Such personnel shall not be employees of or have any contractual relationship with the County.
- b. The City has full responsibility for payment of worker's compensation insurance, unemployment insurance, social security, state and federal income tax and any other deductions required by law for its employees.

c. All of the services required hereunder will be performed by the City or under its supervision and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under state and local law to perform such services.

#### Termination of Contract for Cause

If, through any cause, the City shall fail to fulfill in a timely and proper manner his/her obligations under this contract, or if the City shall violate any of the covenants, agreements, or stipulations of this contract, the County shall thereupon have the right to terminate this contract by giving written notice to the City of such termination and specifying the effective date thereof, at least 15 days before the effective date of such termination. In such event, the City shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder.

Not withstanding the above, the City shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the contract by the City.

#### Termination of Contract for Convenience

Either the City or the County may terminate this contract at any time by giving at least <u>15</u> days notice in writing to the other party. If the contract is terminated as provided herein, the City will be paid for the services provided and all allowable expenses incurred up to the termination date.

#### Conflict of Interest

No member of the governing body of the City, and no other officer, employee, or agent of the City who exercises any function or responsibility in connection with the planning and carrying out of the program, shall have any personal financial interest, direct or indirect, in this agreement, and the City shall take appropriate steps to assure compliance.

#### Interest of City and Employees

The City covenants that it presently has no interest and shall not acquire interest, direct or indirect, in the project area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of his services hereunder. **INTRODUCTION SECTION** 

Oklahoma's Most Connected City 425 EAST DEWEY AVENUE P.O. BOX 1130 • SAPULPA, OK 74067

March 31, 2018

To the Honorable Mayor Reg Green, City Councilors, and Citizens:

We are pleased to submit to you the Comprehensive Annual Financial Report (CAFR) of the City of Sapulpa for the fiscal year ended June 30, 2017. The report was prepared by the Finance Department of the City of Sapulpa to present the financial position of the City and the results of the City's financial operations in accordance with generally accepted accounting principles. Responsibility for both the accuracy of the presented data and the completeness and fairness of the presentation, including all disclosures, rests with the City. We believe the data, as presented, is accurate in all material respects, and all disclosures necessary to enable the reader to gain the maximum understanding of the City's financial affairs have been included. The Management's Discussion and Analysis provide additional narrative and detailed analysis of the City's financial affairs, and we encourage readers to consider that information in conjunction with the information presented here.

To facilitate the understanding of the City's financial affairs, the CAFR is divided into the following sections:

- Introductory Section Includes a table of contents, a letter of transmittal, the City's organizational chart, and a list of City Officials.
- Financial Section Consists of the independent auditor's report, management's discussion and analysis, the basic financial statements, required supplementary information, and other supplementary information.
- Statistical Section Presents unaudited financial, economic and demographic data and other information relative to the community.

# **Governmental Structure**

The City of Sapulpa, the County seat of Creek County, Oklahoma, is located in the extreme northeast corner of the County, only twelve miles from the City of Tulsa, Oklahoma. The City lies astride Interstate Highway 44 (Turner Turnpike) connecting the cities of Tulsa and Oklahoma City. First incorporated prior to Oklahoma statehood, its first City Charter was adopted in 1910, with major revisions thereto in 1922, 1970, 2002, 2005, and 2014. Currently operating under a Municipal Charter form of Government pursuant to Oklahoma Statutes 1991, Sect. 13-101, et seq., the city is governed by a Board of Councilors consisting of ten councilors, two council members from each of five wards. The mayor is chosen from among the council itself. The City Council also serves as trustees of the Sapulpa Municipal Authority. The Mayor and Council appoint a City Manager, a City Attorney, and a City Treasurer. The responsibility for the day-to-day operations of the City rests with the City Manager.

## **Economic Conditions and Outlook**

The primary measure of local economic activity is sales tax revenue. The City relies on sales tax revenue to fund its governmental operations. Sales tax revenue had a slight decrease, \$14,954, from the prior fiscal year. Actual sales tax revenue received was 3.3% over the original amount budgeted.

In preparing the FY 2017/2018 budget City officials believe that the overall outlook for the City remains stable. A conservative approach to projecting sales tax resulted in a budget of \$11,790,036, a 2.28% decrease from FY 2016-2017 actual receipts. Sapulpa residents approved a .5% sales tax on sales in the portion of Sapulpa located in Tulsa County only. This additional sales tax, effective January 2017, will be used to promote economic development in the mentioned area. Voters also passed a 4% Franchise Fee which will replace the 2% Gross Receipts currently received from Oklahoma Natural Gas.

The other major revenue is the Sapulpa Municipal Authority (SMA) charges for service, which include water, sewer, and refuse revenue. The FY 2016/17 charges for service increased .8% over prior year.

Overall economic outlook for the City looks positive. The City is experiencing growth in several ways, new apartment complexes, downtown building renovations, along with a new industrial park. Also an international cosmetics and skin care firm plan to open a distribution center in the Sapulpa area with construction beginning during fiscal year 2018-2019.

# INDEPENDENT AUDITOR'S REPORT

To the Honorable Mayor and Members of the City Council City of Sapulpa, Oklahoma

# **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Sapulpa, Oklahoma (the "City"), as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

# **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of June 30, 2017, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

# **Other Matters**

# Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, pension exhibits, and other post-employment benefits funding schedule, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

# Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, other supplementary information, and statistical section, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The other supplementary information, as listed in the table of contents, are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other information is fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

# Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2018, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

Our discussion and analysis of the City of Sapulpa's financial performance provides an overview of the City's financial activities for the fiscal year ended June 30, 2017. Please read it in conjunction with the City's financial statements, which follow this section.

# FINANCIAL HIGHLIGHTS

- For the fiscal year ended June 30, 2017, the City's total net position increased by \$6.3 million from the prior year.
- During the year, the City's expenses for governmental activities were \$17.1 million and were funded by program revenues of \$6.0 million and further funded with taxes, other general revenues and transfers that totaled \$16.9 million.
- In the City's business-type activities, such as utilities and golf course, total program revenues funded expenses in excess of \$0.4 million while general revenues and transfers totaled \$2.1 million.
- At June 30, 2017, the General Fund reported an unassigned fund balance of \$0.7 million.
- For budgetary reporting purposes, the General Fund reported revenues under estimates by \$0.1 million or 0.7%, while expenditures were less than final appropriations by \$1.1 million or 5.3%.

# **OVERVIEW OF THE FINANCIAL STATEMENTS**

The financial statements presented herein include all of the activities of the City of Sapulpa (the "City") and its component units using the integrated approach as prescribed by GASB Statement No. 34. Included in this report are government-wide statements for each of two categories of activities – governmental and business-type. The government-wide financial statements present the complete financial picture of the City from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business-type activities separately and combined. These statements include all assets of the City (including infrastructure capital assets) as well as all liabilities (including all long-term debt), along with any inflows and outflows that are deferred.

# **Reporting the City as a Whole**

# The Statement of Net Position and the Statement of Activities

One of the most frequently asked questions about the City's finances is, "Has the City's overall financial condition improved, declined or remained steady over the past year?" The Statement of Net Position and the Statement of Activities report information about the City as a whole and about its activities in a way that helps answer this question. These statements include all assets, deferred inflows, liabilities, and deferred outflows using the accrual basis of accounting. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two government-wide statements report the City's net position and changes in them from the prior year. You can think of the City's net position – the difference between assets, deferred inflows, liabilities, and deferred outflows – as one way to measure the City's financial condition, or position. Over time, increases or decreases in the City's net position are one indicator of whether its financial health is improving, deteriorating, or remaining steady. However, you must consider other nonfinancial factors, such as changes in the City's tax base, the condition of the City's roads, and the quality of services to assess the overall health and performance of the City.

As mentioned above, in the Statement of Net Position and the Statement of Activities, we divide the City into two kinds of activities:

- Governmental activities -- Most of the City's basic services are reported here, including the police, fire, general administration, streets, and parks. Sales taxes, franchise fees, fines, and state and federal grants finance most of these activities.
- Business-type activities -- The City charges a fee to customers to help cover all or most of the cost of certain services it provides. The City's water, wastewater, sanitation, stormwater and golf course activities are reported here.

# **Reporting the City's Most Significant Funds**

# **Fund Financial Statements**

The fund financial statements provide detailed information about the most significant funds – not the City as a whole. Some funds are required to be established by State law and by bond covenants. However, management establishes many other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants and other money.

*Governmental funds* -- Most of the City's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the City's general government operations and the basic service it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the City's programs. The differences of results in the Governmental Fund financial statements to those in the Government-Wide financial statements are explained in a reconciliation following each Governmental Fund financial statement.

*Proprietary funds* -- When the City charges customers for the services it provides – whether to outside customers or to other units of the City – these services are generally reported in proprietary funds. Proprietary funds are reported in the same way that all activities are reported in the Statement of Net Position and the Statement of Revenues, Expenses and Changes in Fund Net Position. In fact, the City's enterprise funds are essentially the same as the business-type activities we report in the government-wide statements but provide more detail and additional information, such as cash flows.

# A FINANCIAL ANALYSIS OF THE CITY AS A WHOLE

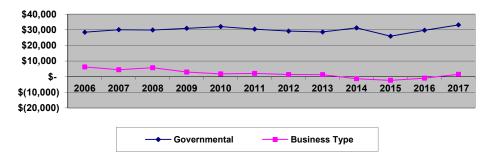

## Net Position

The City's combined net position increased from \$28.4 million to \$34.8 million between fiscal years 2016 and 2017. A comparative, condensed presentation of net position follows (reported in thousands).

# TABLE 2 CHANGES IN NET POSITION (In Thousands)

Explanations for the more significant changes include:

Streets Expense - \$390,000 decrease (22%) due mainly to uncapitalized street repairs decreasing \$245,000 from prior year.

Transfers - \$616,000 (47%) change due primarily to a decrease in the transfer from the SMA to the General Fund for operations.

To aid in the understanding of the Statement of Activities some additional explanation is given. Of particular interest is the format that is significantly different than a typical Statement of Revenues, Expenses, and Changes in Fund Balance. You will notice that expenses are listed in the first column with revenues from that particular program reported to the right. The result is a Net (Expense)/Revenue. The reason for this kind of format is to highlight the relative financial burden of each of the functions on the City's taxpayers. It also identifies how much each function draws from the general revenues are reported as general. It is important to note all taxes are classified as general revenue even if restricted for a specific purpose.

#### FUND BALANCE/NET POSITION (In thousands of dollars)

Other fund highlights include:

- For the year ended June 30, 2017, the General Fund's total fund balance increased by \$0.05 million or 2.9% primarily from an increase in transfers in of \$368,825.
- The Sapulpa Municipal Authority enterprise fund reported an increase in net position, after transfers, of \$2.5 million.

# **General Fund Budgetary Highlights**

Over the course of the year, the City Council revised the General Fund budget various times. The revised budget included an increase in overall revenue projections of 3.7% or approximately \$0.7 million, mainly related to increased sales tax collections over original estimates, and an increase in appropriations of 2.8% or \$0.6 million, with most of the increased appropriations related to the required sales tax transfers.

For budgetary reporting purposes, the General Fund reported revenues under final estimates by \$0.1 million or 0.7%, while expenditures were less than the final appropriations by \$1.1 million or 5.3%.

# CAPITAL ASSET AND DEBT ADMINISTRATION

# Capital Assets

At the end of June 30, 2017, the City had nearly \$113 million invested in capital assets, net of depreciation, including police and fire equipment, buildings, park facilities, water lines and sewer lines. (See table below). This represents a net increase of \$3 million over the prior year.

# ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

Sapulpa's economic outlook seems to be remaining stable. Total sales tax collections, which are the major revenue for the General Fund, had a slight decrease from fiscal year 2015-2016 (\$12,080,526) to fiscal year 2016-2017 (\$12,065,572). A very conservative approached was used in projecting for sales tax for FY 17/18. Sales tax was budgeted at 2.28%, or \$275,536, less than the FY 16/17 actual. Currently sales tax is 4.3% above budget. Total assessed valuation of property went up 3.33% from 2016 to 2017.

The Sapulpa Municipal Authority (SMA) charges for service, which include water, sewer, and refuse revenues, shows an increase of just .8% for fiscal year 2016-2017 (\$10,065,710) from 2015-2016 actual (\$9,983,748). Revenues for these services for fiscal year 2017-2018 were projected 1.7%, or \$171,290, higher than fiscal year 2016-2017 actual. This increase was due to an increase in refuse rates initiated by Waste Management, our contract trash service provider.

#### Reconciliation of the Statement of Revenues, Expenditures, and Changes in Fund Balances of Governmental Funds to the Statement of Activities For the Year Ended June 30, 2017

| Changes in Fund Balance - Changes in Net Position Reconciliation:  | \$<br>41,970                 |
|--|------------------------------|
| Amounts reported for Governmental Activities in the Statement of Activities are different because:   |                              |
| Governmental funds report outlays for capital assets as expenditures while governmental<br>activities report depreciation and amortization expense to allocate those expenditures over<br>the life of the assets:  |                              |
| Capital asset purchases capitalized  | 3,918,071                    |
| Construction in progress expensed  | (48,625)                     |
| Book value of disposed capital assets<br>Depreciation expense  | (142,108)                    |
| Depreciation expense   | <br>(1,793,452)<br>1,933,886 |
|  | <br>1,000,000                |
| Revenues in the Statement of Activities that do not provide current financial resources are<br>not reported as revenues in the funds:  | 111 700                      |
| Change in deferred revenue   | 111,700                      |
| In the Statement of Activities, the net cost of pension benefits earned is calculated and reported as pension expense. The fund financial statements report pension contributions as pension expenditures. This amount represents the difference between pension contributions and calculated pension expense.         | 302,111                      |
|  |                              |
| Certain special revenue funds are used by management to perform business-type activities.<br>The net change in fund balances of these special revenue funds are included in business-<br>type activities in the Statement of Net Position:   |                              |
| Water & Sewer Sales Tax Fund   | (16,957)                     |
| Water Resources Fund   | 11,934                       |

# NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City's accounting and financial reporting policies conform to accounting principles generally accepted in the United States of America (GAAP). GAAP includes all relevant Governmental Accounting Standards Board (GASB) pronouncements. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent subsections of this Note.

During the fiscal year, the City implemented the following GASB Pronouncements:

Statement No. 77, *Tax Abatement Disclosures* – GASB 77 establishes financial reporting standards for tax abatement agreements entered into by state and local governments. The disclosures required by this Statement encompass tax abatements resulting from both (a) agreements that are entered into by the reporting government and (b) agreements that are entered into by other governments and that reduce the reporting government's tax revenues. See Note 4.B.

#### **1.A. FINANCIAL REPORTING ENTITY**

The City's financial reporting entity is comprised of the following:

| Primary Government: | City of Sapulpa               |
|---------------------|-------------------------------|
| Component Units:    | Sapulpa Municipal Authority   |
|                     | Sapulpa Development Authority |

In determining the financial reporting entity, the City complies with the provisions of Governmental Accounting Standards Board Statement (GASB) No. 14, *The Financial Reporting Entity*, and GASB Statement No. 61, *The Financial Reporting Entity: Omnibus, an amendment of GASB Statements No. 14 and No. 34*, and includes all component units of which the City is fiscally accountable.

The component units listed above are Public Trusts established pursuant to Title 60 of Oklahoma State law. A Public Trust (Authority) has no taxing power. The Authority is generally created to finance City services through issuance of revenue bonds or other non-general obligation debt and to enable the City Council to delegate certain functions to the governing body (Trustees) of the Authority. The Authority generally retains title to assets which are acquired or constructed with Authority debt or other Authority generated resources. In addition, the City has leased certain existing assets at the creation of the Authority to the Trustees on a long-term basis. The City, as beneficiary of the Public Trust, receives title to any residual assets when a Public Trust is dissolved.

#### BLENDED COMPONENT UNITS

A blended component unit is a separate legal entity that meets the component unit criteria in the standards listed above. The Sapulpa Municipal Authority, a blended component unit is included since 1) the City can impose its will by authorization of debt issuances; 2) the governing body is the same as the City Council; and 3) management of the Trust and the City are the same. The component units' funds are blended into those of the City's by appropriate fund category to comprise the primary government presentation. The Sapulpa Development Authority is blended for the same reasons.

The component units that are blended into the primary government's fund categories are presented below.

#### Government-Wide Financial Statements:

The statement of net position and statement of activities display information about the City as a whole including component units. They include all financial activities of the reporting entity. Eliminations have been made to minimize the double reporting of transactions involving internal activities. Individual funds are not displayed in these statements. Instead, the statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange revenues. Business-type activities are financed in whole or in part by fees charged to external parties for goods or services.

The statement of activities presents a comparison between the expenses and program revenues directly associated with the different governmental functions and business-type activities to arrive at the net revenue or expense of the function or activity prior to the use of taxes and other general revenues. Program revenues include (1) fees, fines, and service charges generated by the program or activity, (2) operating grants and contributions that are restricted to meeting the operational requirements of the program or activity, and (3) capital grants and contributions that are restricted to meeting the capital requirements of the program or activity.

#### Fund Financial Statements:

Fund financial statements of the reporting entity are organized into funds, each of which is considered to be separate accounting entities. Each fund is accounted for by providing a separate set of self-balancing accounts which constitute its assets, deferred inflows of resources, liabilities, deferred outflows of resources, or fund equity, revenues, and expenditures/expenses. Funds are organized into two major categories: governmental and proprietary. The City presently has no fiduciary funds. An emphasis is placed on major funds within the governmental and proprietary categories. A fund is considered major if it is the primary operating fund of the City or meets the following criteria:

- a. Total assets plus deferred outflows of resources, liabilities plus deferred inflows of resources, revenues or expenditures/expenses of that individual governmental or enterprise fund are at least 10 percent of the corresponding total for all funds of that category or type, and
- b. Total assets plus deferred outflows of resources, liabilities plus deferred inflows of resources, revenues or expenditures/expenses of the individual governmental fund or enterprise fund are at least 5 percent of the corresponding total for all governmental and enterprise funds combined.
- c. A fund that does not meet the criteria of (a) and (b), but for which management has determined is of such significance to be reported as a major fund.

All remaining governmental and enterprise funds not meeting the above criteria are aggregated and reported as nonmajor funds. The funds of the financial reporting entity are described below:

## **GOVERNMENTAL FUNDS**

#### General Fund (Major Fund)

The General Fund is the primary operating fund of the City. It is used to account for and report all financial resources not accounted for and reported in another fund. Included or combined with the General Fund are the following funds that, in addition to the General Fund, comprise the General Fund Accounts:

| Fund  | Description   |
|---|---|
| Hunting & Fishing Account                                 | Accounts for revenues from hunting and fishing fees and other sources and expenditures made there from.   |
| Library Account   | Accounts for revenues received from sales tax (2.5% of the second<br>and third penny), grants, fines and other sources for library<br>maintenance and operations. |
| Swimming Pool   | Accounts for revenues received from donations and charges for services for swimming pool expenditures.  |
| Major Funds   |   |
| Fund  | Description   |
| Grants & Aid Fund   | Accounts for revenue received and expenditures made for all grant projects, except for library grants and aid.  |
| GO Bond Construction Fund<br>(Major Capital Project Fund) | Accounts for the financing and construction of specified capital improvements.  |

# Special Revenue Funds (Nonmajor Funds)

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes other than debt service or capital projects. The reporting entity includes the following special revenue funds:

| Fund                         | Description  |
|------------------------------|--|
| Cemetery Maintenance Fund    | Accounts for revenues received from sales tax (2.5% of the second<br>and third penny), lot sales and charges for interment to be used for<br>maintenance and operations of the cemetery. Additional monies are<br>transferred into this fund for right-of-way mowing operations. |
| Street & Alley Fund          | Accounts for revenues received from gasoline excise tax, motor vehicle tax and expenditures made for street maintenance and operations.  |
| Parks & Recreation Fund      | Accounts for revenues received from sales tax (5% of the second and third penny) and from other sources to be used for parks and leisure services.   |
| Federal SAF Fund             | Accounts for monies received from federal drug seizures. All monies and property received must be used for law enforcement purposes only.  |
| Major Thoroughfare Fund      | Accounts for revenue received from sales tax (5% of the second and third penny) and expenditures for major thoroughfares.  |
| Water & Sewer Sales Tax Fund | Accounts for revenues received from sales tax (10% of the second<br>and third penny) and expenditures made for maintenance, operations<br>and capital outlay.  |
| Spay & Neuter Fund           | Accounts for monies received for and expenditures related to spaying and neutering.  |
| E911 Fund                    | Accounts for revenues received from tariff rates on base line telephone charges and expenditures for operations and maintenance of the E-911 system.   |
| Juvenile Justice Fund        | Accounts for revenues received and expenditures related to the municipal juvenile court and/or any juvenile programs.  |
| Hotel/Motel Tax Fund         | Accounts for revenues received from Hotel/Motel Tax and expenditures for operations of the Sapulpa Economic Development Department, promoting tourism, and park capital improvements.  |
| Polson Apportionment Fund    | Accounts for all apportioned ad valorem tax levies within the Polson<br>Industrial Park Increment District and payment of project costs with<br>the same.  |

# Capital Project Fund (Nonmajor Funds)

Capital Project Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditures for capital outlays. The reporting entity includes the following capital project funds:

| Fund  | Description   |
|---|---|
| Restricted Construction<br>Park & Recreation Fund | Accounts for revenue received and expenditures made exclusively<br>for the acquisition of new park lands and/or capital and maintenance<br>improvements of such new parks.  |
| Park Development Fund                             | Accounts for revenue received from the Hotel/Motel Tax fund and<br>expenditures for the acquisition of new park lands and/or making<br>capital improvements to parks.   |
| Fire Cash Fund                                    | Accounts for revenue received from sales tax (2.5% of the second and third penny) and for expenditures for capital improvements.  |
| Police Cash Fund                                  | Accounts for revenue received from sales tax (2.5% of the second and third penny) and for expenditures for capital improvements.  |
| Cemetery Care Fund                                | Accounts for revenues received from 12.5% of cemetery lot sales and interments. Per state statute, the principal can only be used for the purchase of land and for making permanent capital improvements. The interest can be used for improving, caring for and embellishing lots, walks, drives, parks and other improvements in such cemeteries and maintenance of office and care of records. |
| Capital Improvement Fund                          | Accounts for revenues received from sales tax (10% of the second<br>and third penny) and other sources and expenditures for capital<br>improvements in an amount of \$7,500 or greater in value with an<br>estimated life of three years or more.   |
| Water Resources Fund                              | Accounts for revenues received from sales tax (20% of the second<br>and third penny) and expenditures made for water systems capital<br>improvements.   |
| Economic Development<br>Sales Tax                 | Accounts for revenues received from ½ cent dedicated sales tax<br>(only effective for the portion of Sapulpa in Tulsa County) for the<br>promotion of economic development.   |
| Street Improvement Sales Tax                      | Accounts for revenues received from $\frac{1}{2}$ cent dedicated sales tax, transfers made to the SMA for debt service payments, and expenditures made for capital outlay.  |
| Sewer Plant Sales Tax                             | Accounts for revenues received from <sup>1</sup> / <sub>2</sub> cent dedicated sales tax, transfers made to the SMA for debt service payments, and expenditures made for capital outlay.  |
| Series 2014 Street Capital<br>Improvement Fund    | Accounts for the use of bond proceeds from the Series 2014 Street Capital Improvement bonds.  |

## Debt Service Fund (Nonmajor Fund)

The Debt Service Fund is used to account for ad-valorem taxes levied by the City for use in retiring court-assessed judgments and general obligation bonds and their related interest expense. In State Statutes this fund is referred to as the Sinking Fund.

#### PROPRIETARY FUNDS

Proprietary funds include both enterprise funds and internal service funds. Enterprise funds are used to account for business-like activities provided to the general public. Internal service funds are used to account for business-like activities provided and charged to other funds or entities within the reporting entity. These activities are financed primarily by user charges and the measurement of financial activity focuses on net income measurement similar to the private sector. The reporting entity includes the following enterprise funds and internal service fund:

#### Enterprise Funds (Major Funds)

| Fund  | Description   |
|---|---|
| Sapulpa Municipal Authority Utility                 | Accounts for revenues of the public trust from providing water, wastewater and sanitation services to the public.<br>Included accounts of the SMA:  |
| Sewer System Development<br>& Extension Fee Account | Accounts for revenues received from sewer system development and<br>extension fees associated with the sewer expansion program, related<br>expenses, and to account for funds being placed in escrow which are<br>received from developers. |
| Stormwater Management<br>Account                    | Accounts for revenues received from stormwater management fees<br>and expenditures made for stormwater maintenance and operations.  |
| Series 2012 Revenue Bond<br>Construction Account    | Accounts for bond proceeds used to construct utility capital assets   |
| SMA Golf Course Fund                                | Accounts for revenues received from fees and operational expenses associated with the golf course.  |
| Internal Service Fund                               | associated with the golf course.  |
| Insurance Fund                                      | Accounts for revenues and expenses of insurance costs for employees with the City, including police and fire retirees.  |

## **1.C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING**

Measurement focus is a term used to describe **how** transactions are recorded within the financial statements. Basis of accounting refers to **when** transactions are recorded regardless of the measurement focus applied.

## Measurement Focus

## Government-wide and Proprietary Fund Financial Statements

In the government-wide Statement of Net Position and the Statement of Activities, and the proprietary fund statements, the "*economic resources*" measurement focus is applied. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position and cash flows. All assets, deferred outflows of resources, liabilities, and deferred inflows of resources (whether current or noncurrent, financial or nonfinancial) associated with their activities are reported. Fund equity is classified as net position.

## Governmental Fund Financial Statements

In the governmental fund financial statements, a "*current financial resources*" measurement focus is applied. Under this focus, only current financial assets, deferred outflows of resources, liabilities, and deferred inflows of resources are generally included on their balance sheets. Their operating statements present sources and uses of available spendable financial resources during a given period. These funds use fund balance as their measure of available spendable financial resources at the end of the period.

## Basis of Accounting

## Government-wide and Proprietary Fund Financial Statements

In the government-wide Statement of Net Position and Statement of Activities, and the proprietary fund financial statements, the accrual basis of accounting is applied. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets, deferred outflows of resources, liabilities and deferred inflows of resources resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

## Governmental Fund Financial Statements

In the governmental fund financial statements, the modified accrual basis of accounting is applied. Under this modified accrual basis of accounting, revenues are recognized when "measurable and available". Measurable means knowing or being able to reasonably estimate the amount. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The City has defined "available" as collected within 60 days after year end. Sales and use taxes, franchise taxes, hotel/motel taxes, court fines and interest are considered susceptible to accrual. Expenditures (including capital outlay) are recorded when the related fund liability is incurred, except for general long-term debt principal and interest, claims and judgments, and accrued compensated absences, which are recorded as expenditures to the extent they have matured. Proceeds of general long-term debt, bond premiums, and capital leases are reported as other financial sources.

## 1.D. ASSETS, DEFERRED OUTFLOWS, LIABILITIES, DEFERRED INFLOWS, AND EQUITY

## Cash and Cash Equivalents

Cash and cash equivalents include all demand and savings accounts, and certificates of deposit or short-term investments with an original maturity of three months or less. Investments in open-ended mutual funds held in the trustee accounts are considered cash equivalents.

## Investments

Investments consist of certificates of deposit whose original maturity term exceeds three months and certain U.S. Government securities. Investments that do not have an established market are reported at estimated fair value as estimated by a broker/dealer. The U.S. Government securities are reported at fair value. All non-negotiable certificates of deposit whose original maturity term exceeds three months are carried at cost.

## Receivables

Material receivables in governmental funds and governmental activities include revenue accruals such as sales tax, franchise tax, and grants and other similar intergovernmental revenues since they are usually both measurable and available. Revenue from non-exchange transactions collectible but not available are deferred in accordance with GASB Statement 33 at the fund level.

Proprietary funds and business-type activities material receivables consist of all revenues earned at year-end and not yet received. Billed and unbilled utility accounts receivable comprise the majority of these receivables. They are reported net of allowances for uncollectible accounts.

#### Inventories

Inventory recorded in governmental funds and governmental activities is valued at average cost and consists of material and supplies used for vehicle maintenance and office and janitorial activities. The cost is allocated to the various user departments based upon their consumption. The consumption method of accounting treatment is utilized by the City's governmental funds.

Special reporting treatments are applied to governmental fund inventories to indicate that they do not represent available spendable resources even though they are a component of current assets. Such amounts are generally offset by fund balance nonspendable accounts.

Proprietary fund and business-type activities inventories are recorded on an average cost basis. Inventory of the enterprise funds consists of materials and supplies used for golf.

#### Capital Assets and Depreciation

The accounting treatment of property, plant and equipment (capital assets) depends on whether the assets are used in governmental fund operations or proprietary fund operations and whether they are reported in the governmentwide or fund financial statements.

## Government-Wide Statements and Proprietary Funds

In the government-wide financial statements and proprietary funds, property, plant and equipment are accounted for as capital assets. The City's capitalization threshold was \$2,000 for the year ended June 30, 2017. All capital assets are valued at historical cost, or estimated historical cost if actual is unavailable, except for donated capital assets which are recorded at their acquisition fair value at the date of donation. General infrastructure assets (such as roads, bridges, and traffic systems) acquired prior to July 1, 2002, are reported at estimated historical cost using deflated replacement costs. The cost of normal maintenance and repairs to these assets that do not add materially to the value of the asset or materially extend the assets' useful lives are not capitalized.

Depreciation of all exhaustible capital assets is recorded as an operating expense in proprietary fund financial statements and an allocated expense in the Statement of Activities, with accumulated depreciation reflected in the Statement of Net Position. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation.

The range of estimated useful lives by type of asset is as follows:

| Buildings               | 25 - 50 years |
|-------------------------|---------------|
| Other Improvements      | 5 - 50 years  |
| Infrastructure          | 25-100 years  |
| Machinery and Equipment | 3 - 20 years  |
| Utility System          | 25 - 50 years |

In the governmental fund financial statements, capital assets acquired are accounted for as capital outlay expenditures.

## Restricted Assets

Restricted assets include current and noncurrent assets of enterprise funds and business-type activities that are legally restricted as to their use. The primary restricted assets are related to trustee accounts restricted for debt service and deposits held for refund.

## Long-Term Debt

Accounting treatment of long-term debt varies depending upon the source of repayment and the measurement focus applied, and whether the debt is reported in the government-wide or fund financial statements.

All long-term debt to be repaid from governmental activities, business-type activities and proprietary funds are reported as liabilities as incurred. The long-term debt presently is primarily comprised of general obligation bonds, capital lease obligations payable, judgments payable, water contract obligations, revenue bonds payable, net pension liability, and accrued compensated absences. This long-term debt is reported net of unamortized discounts and premiums.

Long-term debt of governmental funds is not reported as liabilities in the fund financial statements. The debt proceeds are reported as other financing sources and payments of principal and interest are reported as expenditures.

#### Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Oklahoma Police Pension & Retirement System (OPPRS) and the Oklahoma Firefighters Pension & Retirement System (FPRS) and additions to/deductions from OPPRS's and FPRS's fiduciary net positions have been determined on the same basis as they are reported by OPPRS and FPRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

#### Compensated Absences

The City's policies regarding vacation, sick and compensatory time permit employees to accumulate varying amounts as determined by management and contracts with employee groups.

Compensated absences are reported as accrued in the government-wide and proprietary fund financial statements. Governmental funds report only the matured compensated absences payable to currently terminating employees.

## Equity Classification

## Government-Wide and Proprietary Fund Financial Statements:

Equity is classified as net position and displayed in three components:

- a. Net investment in capital assets Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- b. Restricted net position Consists of net position with constraints placed on the use either by 1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or 2) law through constitutional provisions or enabling legislation.
- c. Unrestricted net position All other net position that does not meet the definition of "restricted" or "net investment in capital assets".

It is the City's policy to first use restricted net position prior to the use of unrestricted net position when an expense is incurred for purposes for which both restricted and unrestricted net position are available.

## Governmental Fund Financial Statements:

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned and unassigned. These classifications are defined as:

- a. Nonspendable includes amounts that cannot be spent because they are either (a) not in spendable form or
   (b) legally or contractually required to be maintained intact.
- b. Restricted consists of fund balance with constraints placed on the use of resources either by (a) external groups such as creditors, grantors, contributors, or laws or regulations of other governments, or (b) law through constitutional provisions or enabling legislation.
- c. Committed includes amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the City's highest level of decision-making authority. The City's highest level of decision-making authority is made by ordinance.
- d. Assigned includes amounts that are constrained by the City's intent to be used for specific purposes but are neither restricted or committed. Assignments of fund balance may be made by city council action or management decision when the city council has delegated that authority. Assignments for transfers and interest income for governmental funds are made through the budgetary process.
- e. Unassigned represents fund balance that has not been assigned to other funds and has not been restricted, committed, or assigned to specific purposes within the general fund.

It is the City's policy to first use restricted fund balances prior to the use of unrestricted fund balance when an expense is incurred for purposes for which both restricted and unrestricted fund balances are available. The City's policy for the use of unrestricted fund balance amounts require that committed amounts would be reduced first, followed by assigned amounts and then unassigned amounts when expenditures are incurred for purposes for which balance classifications could be used.

Proprietary fund equity is classified the same as in the government-wide statements.

## 1.E. INTERNAL AND INTERFUND BALANCES AND ACTIVITIES

In the process of aggregating the financial information for the government-wide financial statements, some amounts reported as interfund activity and balances in the fund financial statements have been eliminated or reclassified.

#### Government-Wide Financial Statements:

Interfund activity and balances, if any, are eliminated or reclassified in the government-wide financial statements as follows:

- 1. Internal balances amounts reported in the fund financial statements as interfund receivables and payables are eliminated in the governmental and business-type activities columns of the statement of net position, except for the net residual amounts due between governmental and business-type activities, which are reported as Internal Balances.
- 2. Internal activities amounts reported as interfund transfers in the fund financial statements are eliminated in the government-wide statement of activities except for the net amount of transfers between governmental and business-type activities, which are reported as Transfers Internal Activities. The effect of interfund services between funds are not eliminated in the statement of activities.

## Fund Financial Statements:

Interfund activity, if any, within and among the governmental and proprietary fund categories is reported as follows in the fund financial statements:

- 1. Interfund loans amounts provided with a requirement for repayment are reported as interfund receivables and payables.
- 2. Interfund services sales or purchases of goods and services between funds are reported as revenues and expenditures/expenses.
- 3. Interfund reimbursements repayments from funds responsible for certain expenditures/expenses to the funds that initially paid for them are not reported as reimbursements but as adjustments to expenditures/expenses in the respective funds.
- 4. Interfund transfers flow of assets from one fund to another where repayment is not expected are reported as transfers in and out.

## **1.F. REVENUES, EXPENDITURES AND EXPENSES**

#### Sales Tax

The City presently levies a four and one-half cent sales tax on taxable sales within the City. The sales tax is collected by the Oklahoma Tax Commission and remitted to the City in the month following receipt by the Tax Commission. One cent of the sales tax received is to be recorded as sales tax revenue within the General Fund, one-half cent in the Street Improvement Sales Tax Fund, one-half cent in the Sewer Plant Sales Tax Fund, one-half cent in the Economic Sales Tax Fund (only effective for the portion of Sapulpa in Tulsa County) and the remaining two cents distributed to various funds based on various percentages.

These percentages, initially set by ordinance, have been further restricted by management and governing body approval as follows:

| General Fund                 | 40.00%         |
|------------------------------|----------------|
| Cemetery Maintenance Fund    | 2.50%          |
| Library Fund                 | 2.50%          |
| Parks & Recreation Fund      | 5.00%          |
| Fire Cash Fund               | 2.50%          |
| Police Cash Fund             | 2.50%          |
| Major Thoroughfare Fund      | 5.00%          |
| Capital Improvement Fund     | 10.00%         |
| Water & Sewer Sales Tax Fund | 10.00%         |
| Water Resources Fund         | <u>20.00%</u>  |
|                              |                |
| Total                        | <u>100.00%</u> |

In accordance with the 2012 and 2013 sales tax agreements of their respective bond indentures, sales tax has been pledged for the payment of principal and interest on the indebtedness. The 2012 and 2013 revenue bond indentures state that 40% of two cents of the sales tax levied and assessed pursuant to the City's ordinances is pledged for the payment of those debt issues. In addition, ½ of one cent recorded in the Street Improvement Sales Tax Fund has been pledged for payment on the 2014 Capital Improvement Revenue Bonds.

Sales tax resulting from sales occurring prior to year-end and received by the City after year end have been accrued and are included under the caption *Due from Other Governments* because they represent taxes on sales occurring during the reporting period.

## Property Tax

Under State law, municipalities are limited in their ability to levy a property tax. Such tax may only be levied to repay principal and interest on general obligation bonded debt approved by voters and any court-assessed judgments.

At the present time the City levies a property tax, in addition to dedicated sales tax, to fund the annual debt service requirements of the following general obligation bonds:

#### General Obligation Bonds

2010 General Obligation Bonds 2012A Refunding General Obligation Bonds 2012B Refunding General Obligation Bonds 2015 General Obligation Bonds 2015A General Obligation Bonds 2016A General Obligation Bonds

The property tax levy, as determined by the City's debt service needs, is submitted to the County Excise Board for approval. County assessors, elected officials, determine the taxable value of real estate and personal property in the County. A State Board of Equalization hears complaints on real estate values with the power to equalize assessments. Under present State law, the ratio of assessed value to true value cannot be less than 11 percent or more than 13  $\frac{1}{2}$  percent.

Property taxes levied by the City are billed and collected by the County Treasurer's office and remitted to the City in the month following collection. Property taxes are levied normally in October and are due in equal installments on December 31 and March 31. Property taxes unpaid for the fiscal year are attached by an enforceable lien on property in the following October.

For the year ended June 30, 2017, the City's net assessed valuation of taxable property was \$146,411,041. The taxes levied by the City per \$1,000 of net assessed valuation for the year ended June 30, 2017, was \$13.45.

#### Expenditures/Expenses

In the government-wide statement of activities, expenses, including depreciation of capital assets, are reported by function or activity. In the governmental fund financial statements, expenditures are reported by class as current (further reported by function), capital outlay and debt service. In proprietary fund financial statements, expenses are reported by object or activity.

## **1.G. USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures; accordingly, actual results could differ from those estimates.

## NOTE 2. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

By its nature as a local government unit, the City and its component unit are subject to various federal, state and local laws and contractual regulations. An analysis of the City's compliance with significant laws and regulations and demonstration of its stewardship over City resources follows:

## 2.A. DEPOSITS AND INVESTMENT LAWS AND REGULATIONS

In accordance with State law, all uninsured deposits of municipal funds in financial institutions must be secured with acceptable collateral valued at no more than market value. Acceptable collateral includes certain U.S. Government or Government Agency securities, certain State of Oklahoma or political subdivision debt obligations, surety bonds or certain letters of credit. As required by 12 U.S.C.A., Section 1823(e), all financial institutions pledging collateral to the City must have a written collateral agreement approved by the board of directors or loan committee. As reflected in Note 3.A., the City's uninsured deposits were sufficiently collateralized in accordance with these provisions for the year ended June 30, 2017.

Investments of a City (excluding Public Trusts) are limited by State Law to the following:

- a. Direct obligations of the U. S. Government, its agencies and instrumentalities to which the full faith and credit of the U. S. Government is pledged, or obligations to the payment of which the full faith and credit of the State of Oklahoma is pledged.
- b. Certificates of deposit or savings accounts that are either insured or secured with acceptable collateral with in-state financial institutions, and fully insured certificates of deposit or savings accounts in out-of-state financial institutions.
- c. With certain limitation, negotiable certificates of deposit, prime bankers acceptances, prime commercial paper and repurchase agreements with certain limitations.

- d. County, municipal or school district tax supported debt obligations, bond or revenue anticipation notes, money judgments, or bond or revenue anticipation notes of public trusts whose beneficiary is a county, municipality or school district.
- e. Notes or bonds secured by mortgage or trust deed insured by the Federal Housing Administrator and debentures issued by the Federal Housing Administrator, and in obligations of the National Mortgage Association.
- f. Money market funds regulated by the SEC and in which investments consist of the investments mentioned in the previous paragraphs a., b., c., and d.

Public trusts created under O.S. Title 60, are not subject to the above noted investment limitations and are primarily governed by any restrictions in their trust or bond indentures.

## 2.B. DEBT RESTRICTIONS AND COVENANTS

#### General Obligation Debt

Article 10, Sections 26 and 27 of the Oklahoma Constitution limits the amount of certain outstanding general obligation bonded debt of the municipality for non-utility or non-street purposes to no more than 10% of net assessed valuation. For the year ended June 30, 2017, the City complied with this restriction.

## Other Long-Term Debt

As required by the Oklahoma State Constitution, the City (excluding Public Trusts) may not incur any indebtedness that would require payment from resources beyond the current fiscal year revenue, without first obtaining voter approval.

#### Revenue Bond Debt

The bond indentures relating to the revenue bond issues of the Sapulpa Municipal Authority contain a number of restrictions or covenants that are financial related. These include covenants such as a required flow of funds through special accounts, debt service coverage requirements and required reserve account balances.

The following schedule presents a brief summary of the most significant requirements and the Authority's level of compliance, thereon, as of June 30, 2017:

#### **Requirement**

## a. Flow of Funds

- 1. 2012 Refunding Revenue Bonds:
  - Revenue Fund
  - Construction Fund
  - Bond Fund
  - Bond Reserve Fund
- 2. 2013 Refunding Revenue Bonds:
  - Revenue Account
  - Construction Fund
  - Bond Account
  - Sinking Fund

## Level of Compliance

The Authority maintained all required accounts and made the required payments into such accounts.

The Authority maintained all required accounts and made the required payments into such accounts.

b. Revenue Bond Coverage:

Net operating revenue plus transferred sales tax must equal 1.25 times annual debt service on the 2012 and 2013 Refunding Revenue Bonds.

c. Reserve Account Requirements:

The Authority purchased a financial security assurance municipal bond debt service reserve insurance policy with a \$1,642,550 fair value.

The Authority purchased a financial security assurance municipal bond debt service reserve insurance policy with a \$2,473,088 fair value.

## 2.C. FUND EQUITY / NET POSITION RESTRICTIONS

#### Restricted Net position

Restricted net position at the government-wide financial statements are required to restrict funds in accordance with various laws and regulations, specifically those laws and regulations dealing with debt service and the use of restricted revenues. See Note 3. I. for details of restricted net position.

## 2.D. BUDGETARY COMPLIANCE

The City prepares its annual operating budget under the provisions of the Municipal Budget Act (the Budget Act). In accordance with those provisions, the following process is used to adopt the annual budget:

- a. Prior to June 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1.
- b. Public hearings are conducted to obtain citizen comments. At least one public hearing must be held no later than 15 days prior to July 1.
- c. Subsequent to the public hearings but no later than seven days prior to July 1, the budget is adopted by resolution of the City Council.
- d. The adopted budget is filed with the Office of State Auditor and Inspector.

The legal level of control at which expenditures may not legally exceed appropriations is the department level within a fund.

All fund decreases of appropriation and supplemental appropriations require City Council approval. The City Manager may transfer appropriations between departments within a fund without City Council approval. Supplemental appropriations must also be filed with the Office of State Auditor and Inspector.

In accordance with Title 60 of the Oklahoma State Statutes, the Sapulpa Municipal Authority, accounted for as a blended enterprise fund in this report, is required to prepare an annual budget and submit a copy to the City as beneficiary. However, there are no further requirements such as form of budget, approval of the budget or definition of a legal level of control; and, therefore, no budget and actual financial presentation for the SMA fund is included in this report.

## NOTE 3. DETAIL NOTES - TRANSACTION CLASSES/ACCOUNTS

The following notes present detail information to support the amounts reported in the basic financial statements for its various assets, liabilities, equity, revenues and expenditures/expenses.

*Custodial Credit Risk* – Exposure to custodial credit risk related to deposits exists when the City holds deposits that are uninsured and uncollateralized; collateralized with securities held by the pledging financial institution, or by its trust department or agent but not in the City's name; or collateralized without a written or approved collateral agreement. Exposure to custodial credit risk related to investments exists when the City holds investments that are uninsured and unregistered, with securities held by the counterparty or by its trust department or agent but not in the City's name.

The City's policy as it relates to custodial credit risk is to secure its uninsured deposits with collateral, valued at no more than market value, at least at a level of 100% of the uninsured deposits and accrued interest thereon. The investment policy also limits acceptable collateral to U.S. Treasury securities and direct debt obligations of municipalities, counties, and school districts in the state of Oklahoma. As required by Federal 12 U.S.C.A., Section 1823(e), all financial institutions pledging collateral to the City must have a written collateral agreement approved by the board of directors or loan committee.

At June 30, 2017, the City was not exposed to custodial credit risk as defined above.

*Investment Credit Risk* – The City's investment policy limits investments to those allowed in state law applicable to municipalities. These investment limitations are described in Note 2.A. Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The City has no formal policy limiting investments based on credit rating, but discloses any such credit risk associated with their investments by reporting the credit quality ratings of investments in debt securities as determined by nationally recognized statistical rating organizations—rating agencies—as of the year end. Unless there is information to the contrary, obligations of the U.S. government or obligations explicitly guaranteed by the U.S. government are not considered to have credit risk and do not require disclosure of credit quality.

*Investment Interest Rate Risk* – Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The City discloses it exposure to interest rate risk by disclosing the maturity dates of its various investments.

As noted in the schedule of deposits and investments above, at June 30, 2017, the investments held by the City mature at various times.

*Concentration of Investment Credit Risk* - Exposure to concentration of credit risk is considered to exist when investments in any one issuer represent a significant percent of total investments of the City (any over 5% are disclosed). Investments issued or explicitly guaranteed by the U.S. government and investments in mutual funds, external investment pools, and other pooled investments are excluded from this consideration.

At June 30, 2017, the City had no concentration of credit risk as defined above.

## **3. B. RESTRICTED ASSETS**

The amounts reported as restricted assets on the Proprietary Funds Statement of Net Position are comprised of cash and investments held by the trustee bank on behalf of the public trust (Authority) related to its required revenue bond accounts as described in Note 2.B and amounts due to depositors related to utility deposits.

The restricted assets as of June 30, 2017 were as follows:

## **3. E. WATER RIGHTS CONTRACT**

The Sapulpa Municipal Authority (SMA) entered into three agreements with the United States of America for water storage space in Skiatook Lake. In consideration of the right to utilize the aforesaid storage space in the project for municipal and industrial supply purposes, the SMA agreed to pay costs in the amount of \$4,915,486 (which is the balance of the unamortized water rights reported as capital assets at June 30, 2017), along with maintenance and operations costs on an annual basis. The City incurred an obligation to the federal government for the water rights. The obligations were incurred in March 1993, November 1999, November 2002, and June 2006. The obligations are payable in annual installments of \$30,491, \$33,966, \$143,535 and \$184,184, respectively. The total water right obligation balance at June 30, 2017 is \$1,098,515. See Note 3.F. for further disclosures.

Due to the long-term nature of this agreement, and the infinite economic life of the water rights, the SMA's investment in the water rights contract is not being amortized.

## **Oklahoma Police Pension and Retirement System**

<u>Plan description</u> - The City of Sapulpa, as the employer, participates in the Oklahoma Police Pension and Retirement Plan—a cost-sharing multiple-employer defined benefit pension plan administered by the Oklahoma Police Pension and Retirement System (OPPRS). Title 11 of the Oklahoma State Statutes, through the Oklahoma Legislature, grants the authority to establish and amend the benefit terms to the OPPRS. OPPRS issues a publicly available financial report that can be obtained at <u>www.ok.gov/OPPRS</u>

**Benefits provided** - OPPRS provides retirement, disability, and death benefits to members of the plan. The normal retirement date under the Plan is the date upon which the participant completes 20 years of credited service, regardless of age. Participants become vested upon completing 10 years of credited service as a contributing participant of the Plan. No vesting occurs prior to completing 10 years of credited service. Participants' contributions are refundable, without interest, upon termination prior to normal retirement. Participants who have completed 10 years of credited service may elect a vested benefit in lieu of having their accumulated contributions refunded. If the vested benefit is elected, the participant is entitled to a monthly retirement benefit commencing on the date the participant reaches 50 years of age or the date the participant would have had 20 years of credited service had employment continued uninterrupted, whichever is later.

Monthly retirement benefits are calculated at 2.5% of the final average salary (defined as the average paid base salary of the officer over the highest 30 consecutive months of the last 60 months of credited service) multiplied by the years of credited service, with a maximum of 30 years of credited service considered.

Monthly benefits for participants due to permanent disability incurred in the line of duty are 2.5% of the participants' final average salary multiplied by 20 years. This disability benefit is reduced by stated percentages for partial disability based on the percentage of impairment. After 10 years of credited service, participants who retire due to disability incurred from any cause are eligible for a monthly benefit based on 2.5% of their final average salary multiplied by the years of service. This disability benefit is also reduced by stated percentages for partial disability based on the percentage of impairment. Effective July 1, 1998, once a disability benefit is granted to a participant, that participant is no longer allowed to apply for an increase in the dollar amount of the benefit at a subsequent date.

Survivor's benefits are payable in full to the participant's beneficiary upon the death of a retired participant. The beneficiary of any active participant killed in the line of duty is entitled to a pension benefit.

<u>Contributions</u> - The contributions requirements of the Plan are at an established rate determine by Oklahoma Statute and are not based on actuarial calculations. Employees are required to contribute 8% percent of their annual pay. Participating cities are required to contribute 13% of the employees' annual pay. Contributions to the pension plan from the City were \$279,250. The State of Oklahoma also made on-behalf contributions to OPPRS in the amount of \$246,268 during the calendar year and this is reported as both expense and revenue in the General Fund Statement of Revenues, Expenditures, and Changes in Fund Balance. In the government-wide Statement of Activities, revenue is recognized for the state's on-behalf contributions on an accrual basis of \$273,752. These on-behalf payments did not meet the criteria of a special funding situation.

<u>**Pension Liabilitiess, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources</u></u> <u><b>Related to Pensions**</u> - At June 30, 2017, the City reported a liability of \$1,167,296 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2016. The City's proportion of the net pension liability was based on the City's contributions received by the pension plan relative to the total contributions received by pension plan for all participating employers as of June 30, 2016. Based upon this information, the City's proportion was 0.7622211%.</u>

For the year ended June 30, 2017, the City recognized pension expense of \$410,295. At June 30, 2017, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

The \$279,750 reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date will be recognized as an increase/decrease of the net pension asset/liability in the year ended June 30, 2018. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

| Year ended June 30: |    |         |

|                     | -  |         |

<u>Actuarial Assumptions</u>-The total pension liability was determined by an actuarial valuation as of July 1, 2016, using the following actuarial assumptions, applied to all prior periods included in the measurement:

| Inflation:                  | 3%  |
|-----------------------------|---|
| Salary increases:           | 4.5% to 17% average, including inflation  |
| Investment rate of return:  | 7 .5% net of pension plan investment expense  |
| Cost-of-living adjustments: | Police officers elegible to receive increased benefits according to repealed Section 50-120 of Title 11 of the Oklahoma Statutes pursuant to a court order receive an adjustment of $1/3$ to $\frac{1}{2}$ of the increase or decrease of any adjustment to the base salary of a regular police officer, based on an increase in base salary. |
| Mortality rates:            | Active employees (pre-retirement) RP-2000 Blue Collar<br>Healthy Combined table with age set back 4 years with fully generational<br>improvement using Scale AA.  |
|                             | Active employees (post-retirement) and nondisabled pensioners: RP-2000 Blue Collar Healthy Combined table with fully generational improvement using scale AA.   |
|                             | Disabled pensioners: RP-2000 Blue Collar Healthy Combined table with age set forward 4 years with fully generational improvement using Scale AA.  |

The actuarial assumptions used in the July 1, 2016, valuation were based on the results of an actuarial experience study for the period July 1, 2007, to June 30, 2012.

The long-term expected rate of return on pension plan investments was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2016, are summarized in the following table:

# CITY OF SAPULPA NOTES TO BASIC FINANCIAL STATEMENTS June 30, 2017

|                      | Long-Term Expected  |
|----------------------|---------------------|
| Asset Class          | Real Rate of Return |
| Fixed income         | 3.27%               |
| Domestic equity      | 5.16%               |
| International equity | 8.61%               |
| Real estate          | 4.97%               |
| Private equity       | 8.32%               |
| Commodities          | 2.42%               |

The current allocation policy is that approximately 60% of assets in equity instruments, including public equity, long-short hedge, venture capital, and private equity strategies; approximately 25% of assets in fixed income to include investment grade bonds, high yield and non-dollar denominated bonds, convertible bonds, and low volatility hedge fund strategies; and 15% of assets in real assets to include real estate, commodities, and other strategies.

**Discount Rate**-The discount rate used to measure the total pension liability was 7.5%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from employers will be made at contractually required rates, determined by State statutes. Projected cash flows also assume the State of Oklahoma will continue contributing 14% of the insurance premium, as established by statute. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

<u>Sensitivity of the Net Pension Liability to Changes in the Discount Rate</u>-The following presents the net pension liability of the employers calculated using the discount rate of 7.5%, as well as what the Plan's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.5%) or 1-percentage-point higher (8.5%) than the current rate:

|  | 1% Decrease  | Current Discount | 1% Increase  |  |
|--|--------------|------------------|--------------|--|
|  | (6.5%)       | Rate (7.5%)      | (8.5%)       |  |
|  |              |                  |              |  |
| Employers' net pension liability (asset) | \$ 3,062,604 | \$ 1,167,296     | \$ (433,003) |  |

<u>Pension plan fiduciary net position</u> - Detailed information about the pension plan's fiduciary net position is available in the separately issued financial report of the OPPRS; which can be located at <u>www.ok.gov/OPPRS</u>.

# **Oklahoma Firefighters Pension and Retirement System**

<u>Plan description</u> - The City of Sapulpa, as the employer, participates in the Firefighters Pension & retirement—a cost-sharing multiple-employer defined benefit pension plan administered by the Oklahoma Firefighters Pension & Retirement System (FPRS). Title 11 of the Oklahoma State Statutes grants the authority to establish and amend the benefit terms to the FPRS. FPRS issues a publicly available financial report that can be obtained at www.ok.gov/fprs.

**Benefits provided** - FPRS provides retirement, disability, and death benefits to members of the plan. Benefits for members hired prior to November 1, 2013 are determined as 2.5 percent of the employee's final average compensation times the employee's years of service and have reached the age of 50 or have complete 20 years of service, whichever is later. For volunteer firefighters, the monthly pension benefit for normal retirement is \$150.60 per month. Benefits vest with 10 years or more of service.

Benefits for members hired after November 1, 2013 are determined as 2.5 percent of the employee's final average compensation times the employee's years of service and have reached the age of 50 or have complete 22 years of service, whichever is later. For volunteer firefighters, the monthly pension benefit for normal retirement is \$165.66 per month. Benefits vest with 11 years or more of service

All firefighters are eligible for immediate disability benefits. For paid firefighters, the disability in-the-line-ofduty benefit for firefighters with less than 20 years of service is equal to 50% of final average monthly compensation, based on the most recent 30 months of service. For firefighters with over 20 years of service, a disability in-the-line-of-duty is calculated based on 2.5% of final average monthly compensation, based on the most recent 30 months, per year of service, with a maximum of 30 years of service. For disabilities not-in-theline-of-duty, the benefit is limited to only those with less than 20 years of service and is 50% of final average monthly compensation, based on the most recent 60-month salary as opposed to 30 months. For volunteer firefighters, the not-in-line-of-duty disability is also limited to only those with less than 20 years of service and is \$7.53 per year of service. For volunteer firefighters, the in-line-of-duty pension is \$150.60 with less than 20 years of service, or \$7.53 per year of service, with a maximum of 30 years.

A \$5,000 lump sum death benefit is payable to the qualified spouse or designated recipient upon the participant's death. The \$5,000 death benefit does not apply to members electing the vested benefit.

<u>Contributions</u> - The contributions requirements of the Plan are at an established rate determine by Oklahoma Statute and are not based on actuarial calculations. Employees are required to contribute 9% percent of their annual pay. Participating cities are required to contribute 14% of the employees' annual pay. Contributions to the pension plan from the City were \$386,289. The State of Oklahoma also made on-behalf contributions to FPRS in the amount of \$920,197 (modified-accrual); these on-behalf payments did not meet the criteria of a special funding situation. For full-accrual reporting the amount of on-behalf payments made were \$878,457.

<u>**Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources</u></u>. At June 30, 2017, the City reported a liability of \$11,623,741 for its proportionate share of the net pension liability. The net pension liability was measured as of June 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of July 1, 2016. The City's proportion of the net pension liability was based on the City's contributions received by the pension plan relative to the total contributions received by pension plan for all participating employers as of June 30, 2016. Based upon this information, the City's proportion was .951429% percent.</u>** 

For the year ended June 30, 2017, the City recognized pension expense of \$1,105,841. At June 30, 2017, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

The \$386,289 reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended June 30, 2018. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

| Year ended June 30: |               |

|                     |               |

<u>Actuarial Assumptions</u>-The total pension liability was determined by an actuarial valuation as of July 1, 2016, using the following actuarial assumptions, applied to all prior periods included in the measurement:

| Inflation:                 | 3%  |
|----------------------------|---|
| Salary increases:          | 3.5% to 9.0% average, including inflation   |
| Investment rate of return: | 7.5% net of pension plan investment expense |

Mortality rates were based on the RP2000 combined healthy with blue collar adjustment as appropriate, with adjustments for generational mortality improvement using scale AA for healthy lives and no mortality improvement for disabled lives.

The actuarial assumptions used in the July 1, 2016, valuation were based on the results of an actuarial experience study for the period July 1, 2007, to June 30, 2012.

The long-term expected rate of return on pension plan investments was determined using a building block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense, and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of June 30, 2016, are summarized in the following table:

|                      | Target     | Long-Term Expected  |
|----------------------|------------|---------------------|
| Asset Class          | Allocation | Real Rate of Return |
| Fixed income         | 20%        | 5.18%               |
| Domestic equity      | 47%        | 8.70%               |
| International equity | 15%        | 10.87%              |
| Real estate          | 10%        | 7.23%               |
| Other assets         | 8%         | 6.24%               |

**Discount Rate**-The discount rate used to measure the total pension liability was 7.5%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from employers will be made at contractually required rates, determined by State statutes. Projected cash flows also assume the State of Oklahoma will continue contributing 36% of the insurance premium, as established by statute. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

**Sensitivity of the Net Pension Liability to Changes in the Discount Rate-**The following presents the net pension liability of the employers calculated using the discount rate of 7.5%, as well as what the Plan's net pension liability would be if it were calculated using a discount rate that is 1-percentage point lower (6.5%) or 1-percentage-point higher (8.5%) than the current rate:

## Defined Contribution Plan - Oklahoma Municipal Retirement Fund (OkMRF)

The City has also provided a defined contribution plan and trust known as the City of Sapulpa Plan and Trust (the "Plan") in the form of The Oklahoma Municipal Retirement System Master Defined Contribution Plan (OkMRF). OkMRF operations are supervised by a nine-member Board of Trustees elected by the participating municipalities. The plan is administered by Bank One of Oklahoma City. The defined contribution plan is available to all full-time employees except those participating in state fire or police program. Benefits depend solely on amounts contributed to the plan plus investment earnings. Employees are eligible to participate on the employee's employment commencement date, and may make contributions to the plan up to 15% at their option. By City ordinance, the City, as employer, is required to make contributions to the plan, based upon employee contributions for each employee (and interest allocated to the employee's account) are vested at a rate of 20% per year of completed service, thus fully vested after five years. City contributions for, and interest forfeited by, employees who leave employment prior to fully vesting shall be added to employer contribution. The authority to establish and amend the provisions of the plan rest with the City Council.

For the year ended June 30, 2017, the following amounts related to the defined contribution plan:

| Employee contributions made        | \$<br>135,708 |
|------------------------------------|---------------|
| Employer (City) contributions made | \$<br>138,171 |

## Defined Contribution Plan - Oklahoma Municipal Retirement Fund (OkMRF) CMO Plan

The City has also provided a defined contribution plan in the form of The Oklahoma Municipal Retirement System Master Defined Contribution Plan (OkMRF). The defined contribution plan is available to any person who is in the position of City Manager as of May 31, 2016. Employees are eligible on the employee's employment commencement date. The City has elected the variable funding option. The City intends to make a contribution to the Plan for the benefit of the participants on a monthly basis. The contribution may be varied from year to year by the City. The City's contributions for each employee ( and interest allocated to the employee's account) are vested at 100% immediately upon the participation date. Benefits depend solely on amounts contributed to the plan plus investment earnings. The authority to establish and amend the provisions of the plan rests with the City Council. The City contributes 8% to the plan and the employee contributes 8% to the plan. The total contributions by the City for fiscal year 2017 were \$10,581 which is 100% of the required contribution.

## **Other Post-Employment Benefits**

*Plan Description:* City provides post-retirement benefit options for medical and prescription drug benefits for retired employees and their dependents that elect to make required contributions. The benefits are provided in accordance with State law, police and firefighter's union contracts and the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). The relationship for these benefits is not formalized in a contract or plan document, only a few sentences in the administrative policy. These benefits are considered for accounting purposes to be provided in accordance with a single employer substantive plan. A substantive plan is one in which the plan terms are understood by the city and plan members. This understanding is based on communications between the employers and plan member and the historical pattern of practice with regard to the sharing of benefit costs. Police and Fire employees may become eligible for those post-retirement benefits if they reach normal retirement age while working for the City. As of June 30, 2017, approximately 12 retired employees are receiving benefits under this plan.

*Funding Policy.* The contribution requirement of the City is an implicit subsidy. The implicit subsidy is not a direct payment from the employer on behalf of the member but rather stems from retiree contribution levels that are less than the claims cost as retiree ages. Since claims experience for employees and non-Medicare eligible retirees are pooled when determining premiums, these retired members pay a premium based on a pool of members that, on average, are younger and healthier. There is an implicit subsidy from the employee group since the premiums paid by the retirees are lower than they would have been if the retirees were insured separately. The subsidies are valued using the difference between the age-based claims costs and the premium paid by the retiree. The amount required to fund the implicit rate is based on projected pay-as-you-go financing requirements. For fiscal year 2017, the City contributed \$44,886 to the plan. Plan members receiving benefits contributed \$125,041, or approximately 100 percent of the total premiums, through their required contribution of \$584.49-\$658.81 per month for retiree-only coverage, \$1,263.99-\$1,426.03 per month for retiree and spouse, \$991.80-\$1,116.20 per month for retiree and children, and \$1,647.00-\$1,855.90 per month for retiree and family.

Annual OPEB Cost and Net OPEB Obligation. The City's annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The following table shows the components of the City's annual OPEB cost, the amount actually contributed to the plan, and changes in the City's net OPEB obligation for the year ended June 30, 2017:

| Annual required contribution               | \$ | 80,195    |
|--|----|-----------|
| Interest on net OPEB obligation            |    | 53,514    |
| Adjustment to annual required contribution |    | (46,503)  |
| Annual OPEB cost (expense)                 |    | 87,206    |
| Contributions made                         |    | (44,886)  |
| Increase in net OPEB obligation            |    | 42,320    |
| Net OPEB obligation—beginning of year      |    | 1,408,272 |
| Net OPEB obligation-end of year            | \$ | 1,450,592 |

The City's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net unfunded OPEB obligation for the last three years were as follows:

# CITY OF SAPULPA NOTES TO BASIC FINANCIAL STATEMENTS June 30, 2017

| 6/30/15            | \$230,528        | 17.00%   | \$1,217,654                 |
| 6/30/16            | \$230,528        | 17.00%   | \$1,408,272                 |
| 6/30/17            | \$87,206         | 51.47%   | \$1,450,592                 |

*Funded Status and Funding Progress.* As of June 30, 2017, the most recent actuarial valuation date, the Plan was not funded. The actuarial accrued liability (AAL) for benefits was \$1,206,591, and the actuarial value of assets was zero, resulting in an unfunded actuarial accrued liability (UAAL) of \$1,206,591. The covered payroll (annual payroll of active employees covered by the plan) was \$10 million, and the ratio of the UAAL to the covered payroll was 12.04 percent.

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

Actuarial Methods and Assumptions. Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

In the June 30, 2017, actuarial valuation, the projected unit credit cost method was used. The actuarial assumptions included a 3.80 percent investment rate of return (net of administrative expenses), which is a blended rate of the expected long-term investment returns on plan assets and on the employer's own investments calculated based on the funded level of the plan at the valuation date, and an annual healthcare cost trend rate of 5.50 percent. There were no assets to determine the actuarial value of assets. The UAAL is being amortized over a closed 30 year period as level payments. The remaining amortization period at June 30, 2017, was twenty-three years.

## 4.B. TAX ABATEMENTS

Hotel/Motel Tax Reimbursement Program – the City has entered into an agreement with Comfort Inn & Suites (Hotel) as of April 20, 2015 whereby the Hotel has agreed to construct a hotel facility in exchange for a reimbursement of 50% of the hotel/motel tax receipts generated by the Hotel. The reimbursements will be made until the fifth anniversary of the first reimbursement made or until a maximum aggregate reimbursement of \$150,000 is made. Reimbursements have been made by the City to the Hotel since April 2015. The reimbursements have not exceeded the \$150,000. Due to confidentiality provisions, the amount of actual reimbursements made cannot be disclosed.

## 4.C. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The City manages these various risks of loss as follows:

| Type of Lossa. Torts, errors and omissions;asset loss and natural disasters | <u>Method Managed</u><br>Participation in Oklahoma<br>Municipal Assurance Group<br>risk entity pool | Risk of Loss Retained<br>(1) |
|---|---|------------------------------|
| b. Injuries to employees (workers compensation)                             | Participation in Oklahoma<br>Municipal Assurance Group<br>risk entity pool                          | (2)                          |
| c. Employee health and life   | Purchased commercial insurance through Community Care   | No risk of loss              |

The City participates in the Oklahoma Municipal Assurance Group Liability Protection Plan and Worker's Compensation Plan (risk entity pool) as follows.

## (1) Liability Protection Plan

The basic insurance agreements cover claims against municipalities for all government functions, utilities, and services covered in the Plan. These include bodily injury, property damage, wrongful acts, personal injury, and related torts under the state tort claims law and federal civil rights laws. All public officials, employees, services, and municipal functions are covered unless they are specifically listed as exclusions in the Plan.

The title to all assets acquired by the Plan are vested in the Group. In the event of termination of the Group, such property shall belong to the then members of the Group in equal shares. Each participating City pays all costs, premiums, or other fees attributable to its respective participation in the Plan, and is responsible for its obligation under any contract entered into with the Plan.

Reserves for claim losses include provisions for reported claims on a case basis and an estimate of claims incurred but not reported limited by aggregate and individual loss levels as specified by the Plan's reinsurance contracts. These credits, if any, represent contingent liabilities of the Plan if the reinsurer was unable to meet its obligations under the reinsurance agreement.

The Plan's insurance agreements are reinsured for excess losses based upon the contract year. The significant components of each reinsurance contract can be obtained from the Plan's annual financial report.

#### (2) Worker's Compensation Plan

The title to all assets acquired by the Plan are vested in the Plan. In the event of termination of the Plan, such property shall belong to the then members of the Plan in equal shares. Each participating city pays for all costs, premiums, or other fees attributable to its respective participation in the Plan, policy or service established under the agreement establishing the Oklahoma Municipal Assurance Group, and is responsible for its obligations under any contract entered into with the Plan.

Reserves for policy and contract claims provide for reported claims on a case basis and a provision for incurred but not reported claims limited to specific retention levels for each member as outlined in the Plan's reinsurance agreement.

The Plan's worker's compensation coverage is reinsured for losses in excess of respective retention levels. The reinsurance agreement covers losses incurred within the effective period of the agreement. Each Plan member's liability for claims losses is limited to their individual retention levels as outlined in the Plan's reinsurance agreement.

Management believes such coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

# **Claims Liability Analysis**

The claims liabilities related to the above noted health and life risks of loss that are retained are reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. The City is no longer self-insured and the remaining balance represents run-off claims. For the risk management internal service self-insurance fund, changes in the claims liability for the City from July 1, 2012, to June 30, 2017, are as follows:

|   | Health &<br><u>Life</u> |          |  |  |  |

# U.S. Army Corps of Engineer - Water Storage Space in Skiatook Lake

The City is under contract with the U.S. Army Corps of Engineer for the right to utilize an undivided 1.52 percent of the usable storage space in the Skiatook Lake Project. This storage space is to be used to impound water for anticipated future demand or need for municipal and industrial water supply. The City is also required to pay annual operations and maintenance (O&M) costs related to this contract. The total O&M costs paid during fiscal year 2016-2017 totaled \$22,686. See Note 3.F. for further debt disclosures.

# Contingencies:

# Grant Program Involvement

In the normal course of operations, the City participates in various federal or state grant/loan programs from year to year. The grant/loan programs are often subject to additional audits by agents of the granting or loaning agency, the purpose of which is to ensure compliance with the specific conditions of the grant or loan. Any liability for reimbursement which may arise as a result of these audits cannot be reasonably determined at this time.

# Litigation

The City is a party to various legal proceedings which normally occur in the course of governmental operations. The financial statements do not include accrual or provisions for loss contingencies that may result from these proceedings. State statutes provide for the levy of an ad valorem tax over a three-year period by a City "Sinking Fund" for the payment of any court assessed judgment rendered against the City.

While the outcome of the above noted proceedings cannot be predicted, due to the insurance coverage maintained by the City and the State statute relating to judgments, the City feels that any settlement or judgment not covered by insurance would not have a material adverse effect on the financial condition of the City. This statutory taxing ability is not available to the City's public trusts (Authorities).

# 4.E. NEW ACCOUNTING PRONOUNCEMENTS

The GASB has issued several new accounting pronouncements, which will be effective in subsequent years. A description of the new accounting pronouncements, the fiscal year in which they are effective, and the City's consideration of the impact of these pronouncements are described below:

Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions – GASB No., 75 was issued in June 2015, and addresses accounting and financial reporting for OPEB that is provided to the employees of state and local governmental employers. This Statement establishes standards for recognizing and measuring liabilities, deferred outflows of resources, deferred inflows of resources, and expense/expenditures. For a defined benefit OPEB, this Statement identifies the methods and assumptions that are required to be used to project benefit payments, discount projected benefit payments to their actuarial present value, and attribute that present value to periods of employee service. Note disclosure and required supplementary information requirements about defined benefit OPEB also are addressed. This Statement is effective for fiscal years beginning after June 15, 2017. The City has not yet determined the impact that implementation of GASB 75 will have on its net position, although it may be material. At this time the impact to the city is unknown.

GASB Statement No. 81, *Irrevocable Split-Interest Agreements* – GASB 81 was issued in March 2016, to improve accounting and financial reporting for irrevocable split-interest agreements by providing recognition and measurement guidance for situations in which a government is a beneficiary of the agreement. The System does not believe that GASB No. 81 will have significant impact on its financial statements. This Statement is effective for periods beginning after December 15, 2016.

GASB Statement No. 83, *Certain Asset Retirement Obligations* – GASB 83 was issued December 2016, will be effective for the City beginning with its fiscal year ending June 30, 2019. Under Statement No. 83, a government that has legal obligations to perform future asset retirement activities related to its tangible capital assets is required to recognize a liability and a corresponding deferred outflow of resources. The Statement identifies the circumstances that trigger the recognition of these transactions. The Statement also requires the measurement of an asset retirement obligation to be based on the best estimate of the current value of outlays expected to be incurred while the deferred outflow of resources associated with the asset retirement obligation will be measured at the amount of the corresponding liability upon initial measurement and generally recognized as an expense during the reporting periods that the asset provides service. The Statement requires disclosures including a general description of the asset retirement obligation and associated tangible capital assets; the source of the obligation to retire the assets; the methods and assumptions used to measure the liability; and other relevant information. The City has not yet determined the impact that implementation of GASB 83 will have on its net position. This Statement is effective for periods beginning after June 15, 2018.

GASB Statement No. 84, *Fiduciary Activities* – GASB No. 84 was issued January 2017, this Statement establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities. The City has not yet determined the impact that implementation of GASB 84 will have on its net position. This Statement is effective for periods beginning after December 15, 2018.

GASB Statement No. 85, *Omnibus 2017* – GASB No. 85 issued March 2017, this Statement address a variety of topics including issues related to blending component units, goodwill, fair value measurement and application, and postemployment benefits. The City has not yet determined the impact that implementation of GASB 85 will have on its net position. This Statement is effective for periods beginning after June 15, 2017.

GASB Statement 86, *Certain Debt Extinguishment Issues* – GASB No. 86 issued May 2017 the primary objective of this Statement is to improve the consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance for transactions in which cash and other monetary assets acquired with only existing resources – resources other than the proceeds of refunding debt – are placed in an irrevocable trust for the sole purpose of extinguishing debt. This Statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished and notes to financial statements for debt that is defeased in substance. The City has not yet determined the impact that implementation of GASB 86 will have on its net position. This Statement is effective for periods beginning after June 15, 2017.

GASB Statement 87, *Leases* – GASB No. 87 was issued June 2017, the primary objective of this Statement is to increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about activities. The City has not yet determined the impact that implementation of GASB 87 will have on its net position. This Statement is effective for periods beginning after December 15, 2019.

# Budget Law

The City has adopted the provisions of the Municipal Budget Act of 1979 (the "Budget Act"). In accordance with the Budget Act, the following process is used to adopt the annual budget:

- a. Prior to June 1, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following July 1.
- b. Public hearings are conducted to obtain citizen comments. At least one public hearing must be held no later than 15 days prior to July 1.
- c. Subsequent to the public hearings but no later than seven days prior to July 1, the budget is adopted by resolution of the City Council.
- d. By July 1, the adopted budget is filed with the Office of State Auditor and Inspector.

Per State law, the legal level of control at which expenditures may not legally exceed appropriations is the department level within a fund. All transfers of appropriation between departments and supplemental appropriations require City Council approval. The City Manager may transfer appropriations between object categories within a department without City Council approval. Supplemental appropriations must also be filed with the Office of State Auditor and Inspector. No departments exceeded appropriations.

# Budgetary Accounting

The annual operating budgets are prepared and presented on the modified accrual basis of accounting.

However, for budgetary purposes, sales tax revenues, both dedicated and undedicated, are recognized first in the General Fund, with appropriated transfers out of the dedicated portions of sales tax to the respective dedicated sales tax funds. This differs from the City's treatment of dedicated sales taxes in the basic financial statements which recognizes sales tax as revenue in the respective dedicated sales tax funds. Also, the State on-behalf payments for the police and firefighter's pension are excluded in the budgetary schedule as are capital lease proceeds and related capital outlay.

The City utilizes encumbrance accounting under which all purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve a portion of the applicable appropriation. Encumbrances outstanding at year-end are not considered expenditures for budgetary purposes since the City intends to honor the commitments and provide for supplemental appropriations in the following budget year. All appropriations lapse at year end.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and Members of the City Council City of Sapulpa, Oklahoma

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Sapulpa, Oklahoma (the "City"), as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated March 31, 2018.

# **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
